Lot 1

HUNTERS PEG 5957

DOB: 10/4/25 • TATTOO: 5957 • AAA: 21532726

sire. **ROSE REPLAY 3321**

dam. **YOUNGE GREIMAN PEG 323**
MGS: Dameron First Class

What an incredible way to start this year's offering. A daughter of Replay out of our foundation Peg donor. This cow family has produced countless high sellers and sale features for many years. Lot 1 is without exception one of my favorites out of Peg. Start at the ground with her massive foot and bone work, carrying a wide base and pin width that transitions into bold rib shape with a long elevated front one third.

Lot 2

BURNS LADY 2587

DOB: 10/6/25 • TATTOO: 2587 • AAA: PENDING

sire. **BNWZ EXECUTIVE DECISION 2219**

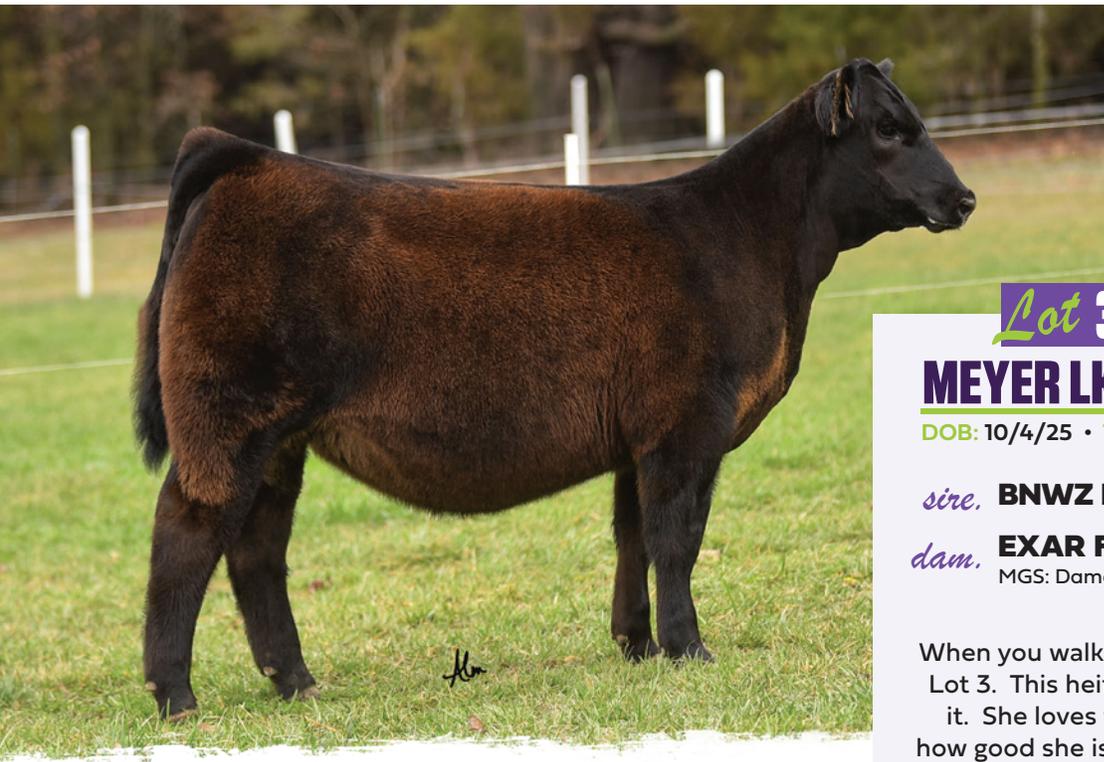

dam. **BURNS LADY 2287**
MGS: Collision Alpha 028

The first of five Executive Decision daughters. The 2024 ROV Show Bull of the Year is breeding for the purple. This bold ribbed female traces to the famed Lady 300 matron in the Burns Angus herd. We feel that she has the structure, muscle and look to find her way into the purple.

ANNUAL PRODUCTION SALE

Lot 3

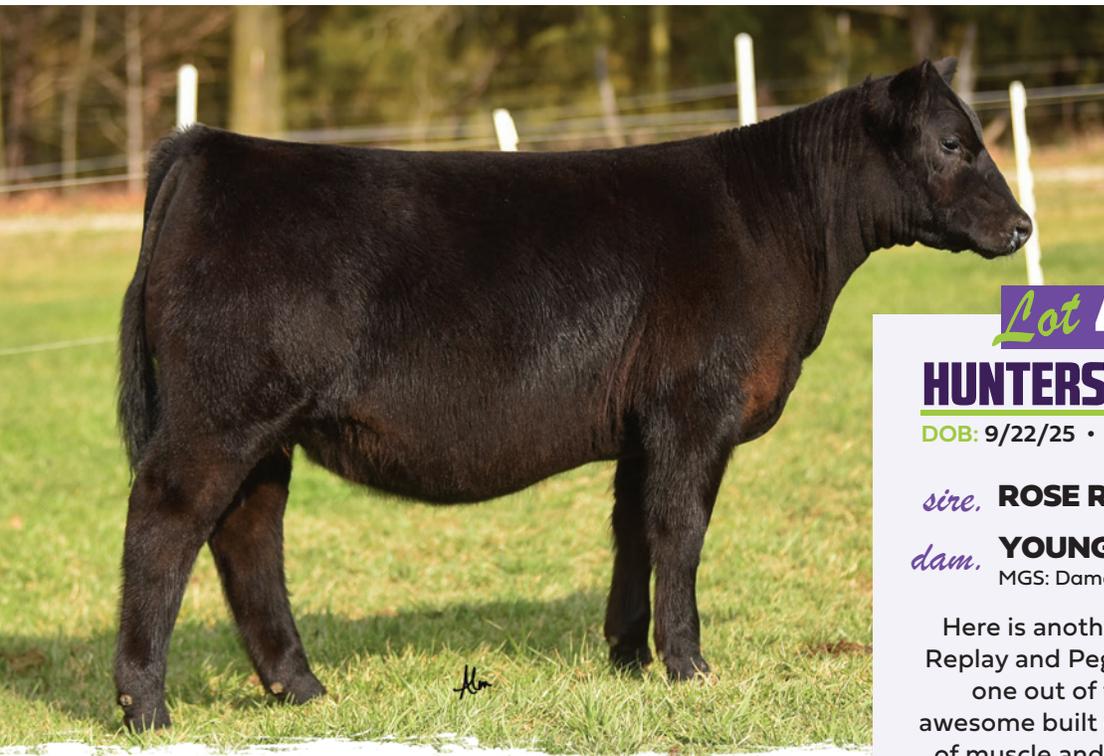

MEYER LK FOREVER LADY 5303

DOB: 10/4/25 • TATTOO: 5303 • AAA: PENDING

sire. **BNWZ EXECUTIVE DECISION 2219**

dam. **EXAR FOREVER LADY 5121**
MGS: Dameron First Class

When you walk out into the pens you will for sure find Lot 3. This heifer is extremely elegant and she knows it. She loves to show off and let everyone know just how good she is. Her dam was a many time champion for Lexi Koelling. Lot 3, like her parents, is ready to take you to the backdrop.

Lot 4

HUNTERS PEG 5716

DOB: 9/22/25 • TATTOO: 5716 • AAA: 21532727

sire. **ROSE REPLAY 3321**

dam. **YOUNGE GREIMAN PEG 323**
MGS: Dameron First Class

Here is another heifer from this outstanding flush of Replay and Peg. Lot 4 is without a doubt the stoutest one out of the whole flush. She, like her sisters, is awesome built out of her front one third. The amount of muscle and body she has will attract many friends that are looking to add dimension and substance into their show string.

Lot 5

HUNTERS PEG 5804

DOB: 10/21/25 • TATTOO: 5804 • AAA: 21536072

sire. **ROSE REPLAY 3321**

dam. **YOUNGE GREIMAN PEG 323**
MGS: Dameron First Class

Here is a younger version of Lots 1 and 4. I really can't say enough about what the Peg cow family has done for us and mating her to Replay, I believe, has been the most successful flush to date. Lot 5 ties high out of her shoulder and then transitions back into a bold sweeping rib with added muscle much like her sister, Lot 4.

Lot 6

HUNTERS SARAS DREAM 5928

DOB: 11/18/25 • TATTOO: 5928 • AAA: 21532728

sire. **ROSE REPLAY 3321**

dam. **SILVEIRAS SARAS DREAM 3309**
MGS: Dameron First Class

Here is the youngest heifer in the sale. This one's upside is huge. She may be young, but she is mighty. Stemming from a household cow family that has had as much success in the show ring as any family. Her dam, Sara's Dream 3309 is a prolific donor that consistently produces progeny with style and substance.

Lot 7

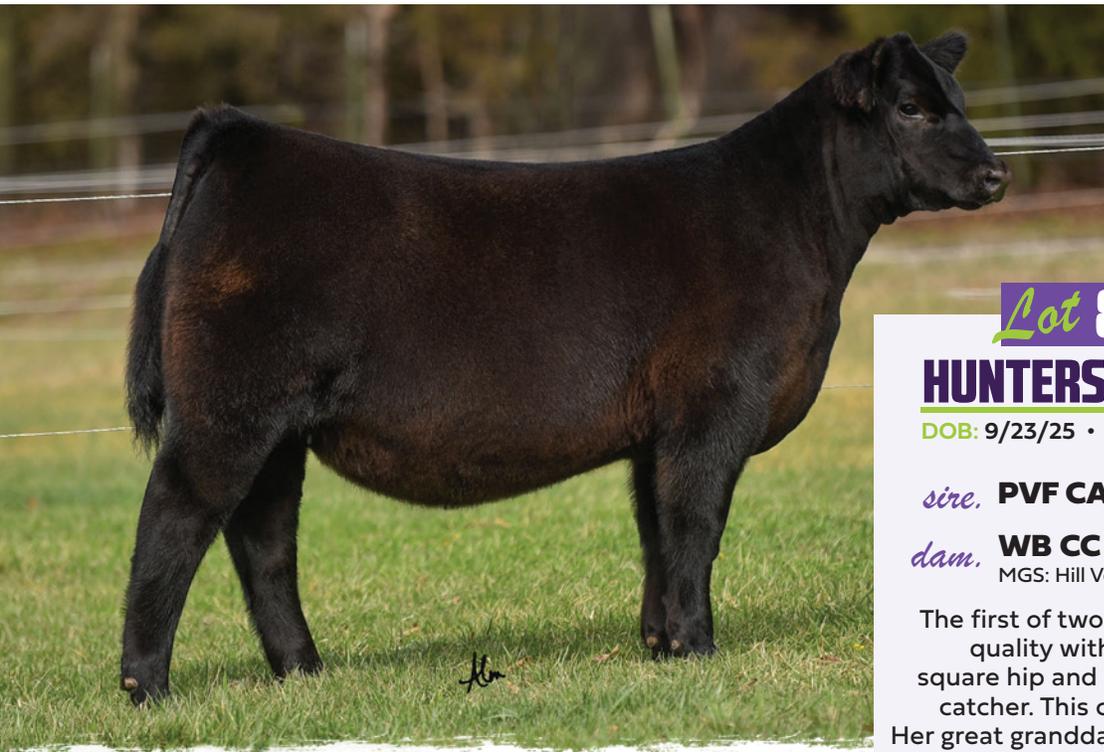

MEYER LK WINNIE 5316

DOB: 11/4/25 • TATTOO: 5316 • AAA: PENDING

sire. **BNWZ EXECUTIVE DECISION 2219**

dam. **EXAR WINNIE 13277**
MGS: Dameron First Class

Another November heifer that is extremely striking. Stemming from the Winnie cow family that has been made famous in the Express program. This daughter of Executive Decision has a long reaching stride with excellent bone work for as young as she is. Her presence is so striking.

Lot 8

HUNTERS PRINCESS 5850

DOB: 9/23/25 • TATTOO: 5850 • AAA: 21527332

sire. **PVF CAPONE 2104**

dam. **WB CC PRINCESS 242**
MGS: Hill Valley Reckoning 931

The first of two Capone daughters. If you are into hair quality with an elegant look this girl is for you. Her square hip and extra bone work will be for sure an eye catcher. This cow family needs no introduction at all. Her great granddam is the famous "Pebbles" from Ward Bros. Lot 8's dam, 242 has been producing outstanding progeny and recently embryos were a feature of the MO Angus Breeders Futurity.

Lot 9

HUNTERS GEORGINA 5102

DOB: 9/14/25 • TATTOO: 5102 • AAA: 21527330

sire. **PVF CAPONE 2104**

dam. **INGRAM GEORGINA 3118**
MGS: PVF Blacklist 7077

This Capone daughter is much like her sister, Lot 8. Striking in every sense of the word with an elegant front end and bold rib shape. The Georgina tribe has long been associated with champions, and we feel that this heifer can continue that tradition.

Lot 10

BURNS LADY 2592

DOB: 10/16/25 • TATTOO: 2592 • AAA: PENDING

sire. **ROSE MC ENCORE 0463**

dam. **BURNS LADY 300**
MGS: Silveiras Style 9303

If you are in the market for a heifer that will stand out from the crowd look no further than Lot 10. From the day she showed up here she has been a barn favorite. She is long necked while still having the amount of muscle that you can ask for. When she made her way to the picture pen we all had to take a second and just admire the look that she gives you from every angle.

MGS: Colburn Primo 5153

sire. **KABG CLOSING TIME 30**

dam. **EXAR FOREVER LADY 98449**

Bold, square and powerful is the best way to describe this daughter of Closing Time. Her dam affectionately known as Ivanka she was fourth overall at the National Jr Angus Show in Tulsa, OK and was the ROV senior heifer calf champion of the year that same year. We love the pieces that this heifer has. She has as much width across her top as any heifer in the sale and still looks the part.

sire. **KABG CLOSING TIME 30**

dam. **EXAR FOREVER LADY 5121**

These next two heifers are flush sisters by Collison Alpha, out of the same great cow as Lots 15 and 16. This heifer is wide based with extra bone and power. Her rib shape is wonderful and she still gives a good look from the profile.
