

*Third Annual AAA Farms
Production Sale*

SATURDAY • APRIL 11, 2026 • 11AM
AT THE FARM IN LAVINIA, TN

Welcome Back!

The Atwood family and the entire crew at AAA Farms would like to welcome you back to our Annual Female Production Sale. We are very excited about the genetics in this offering and the role they will play in the marketplace for Angus cattle.

Cattle prices are at a record level high and the demand for quality Angus beef continues at historic levels. To meet these demands, females that can produce high quality bulls for commercial operations are the backbone of our herd and the future as Angus breeders.

On April 11th, we are offering some of the best genetics produced here at AAA Farms. In doing so, we are giving you different opportunities to select the right animal that fits your program. While using all the new technology available, AAA Farms approaches every day with hard work and determination to produce the best genetics possible. I feel the results help build a better future for everyone.

A little over seven years ago, we started out in this registered Angus journey not knowing the unlimited potential or opportunities that would come our way. Every day, our passion grows for this Angus breed knowing that decisions we make now will affect generations to come.

Andy and his family look forward again to hosting you for some great food and evaluation of this Angus offering on Saturday, April 11th, 2026.

We hope to see you on sale day. If you have any questions about the sale offering or our program, please do not hesitate to contact us.

Thanks for your time.

Sincerely,

Chris Hooker
General Manager

Welcome Angus Breeders,

AAA Farms will again present one of their best offerings for the 2026 Sale. Andy Atwood, his family and manager Chris Hooker have truly built one of the most impressive herds in the industry. This sale will feature the high quality genetics they have bred and we hope you can join us for their 3rd Annual Sale, April 11, 2026 in Lavinia, Tennessee.

Lot 1 is a special female. AAA Sure Fire 5502, a daughter of Peak Draft Pick out of one of the great cow lines ever, Chair Rock Sure Fire 6095, will be an impactful female. This female excels in Marbling and \$C and will be a great addition to any program in the country. Lot 5A and 5B are two tremendous daughters of RSA True Balance 1311 and VAR Fire Line 2667 out of the great Sterling Barbie 1122 cow line. These females along with feature heifer calves, bred heifers and cow calf pairs all sell in this offering.

This facility to hold an Angus sale is special. A great barn and display area for the cattle are as nice as you will find anywhere in the country. It's a destination place that is worth seeing. The hospitality is second to none, so please join us for this year's sale.

You won't find better people than the Atwood and Hooker families. They are committed to the Angus breed and it has been fun to see their growth. The presentation of the cattle is excellent and you can buy with confidence from these special people.

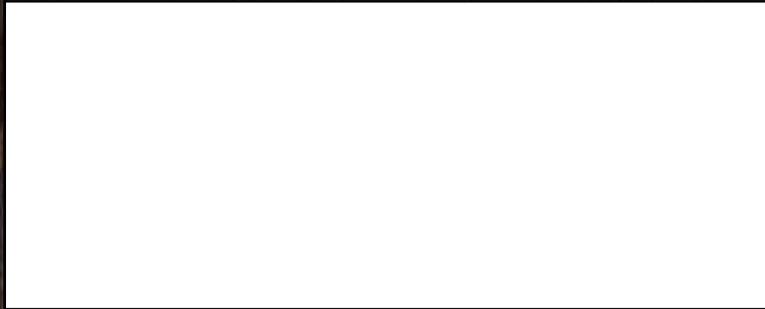

Join us for a busy Tennessee weekend. If you have any questions about the cattle feel free to let any one of us at
