SALE INFORMATION

This sale features our high-demand bulls where supply has not met the inquiries for availability. To make it a fair buying environment for our customers, we will be auctioning off the semen units on these sires listed in the following pages.

- Bidding will be PER UNIT/STRAW during the auction.
- Winning bidder will have the choice option on quantity they desire. The winning bidder can take any amount within the quantity available (unless otherwise noted).
- Purchase Price will be the winning bid amount x quantity selected. For example, if the winning bid was \$250.00 and the buyer selects five (5) units – the invoice will be for \$1,250.00 (\$250 x 5).

CCI.LIVE

HOW IT WORKS

- As a buyer, you DO NOT need to login to watch the sale but you must have a validated account to bid.

TO BID ONLINE go to www.CCI.live in your Chrome, Firefox, Safari or other modern browser:

1. Click on the sale schedule page.
 2. Click on the sale of interest.
 3. Click on Bid Online- Register and then Get Buyer Number
- After you are logged in, you must proceed to the sale page for your auction and click Bid Online - Register, then "Get Buyer Number." Some auctions require valid credit card number on file to obtain a buyer number to bid.
 - CCI.live will operate with ease on a modern cellular device, laptop, desktop or tablet.
 - A current browser is important and will always make your experience better.
 - Support line open during all sales. TEXT 405-400-9505

Avid – Implies a strong desire and willingness to put in effort.

Avid stands as the #1 \$C son of FF Rito Ambitious in the breed and out of the legendary DBA Rita 1034, the #1 \$C female in the entire Angus population and a multi-million-dollar producer. This is as elite — and as proven — as it gets.

- Unmatched suite of indexes with top 1% for \$F, \$G, \$B, and \$Combined
- Top-end growth at every level – With (+100) for WW, top 2% YW, and top 1% Carcass Wt.
- Elite carcass rankings with top 1% for Marbling, top 10% Ribeye
- Top 4% —Docility, Hair Shed
- Top 10% — \$M, with breed avg. or better ranks for Teat, Udder, and FL

Avid is genetically positioned to move cow herds — and the breed — decisively forward. From every angle, he covers all the bases, checks every box, and stands ready to make an immediate and lasting impact. Wilks Avid 4864 isn't just well-bred. He's driven, focused, and built to lead the next generation of Angus.

Incredible output with ideal design and function.

BIGHORN will go down as one of the true highlights of the 2026 sale season. His attraction and interest were widespread across the industry as he offers high values to multiple channels of our industry. He features:

- \$C: +378 (Top 2%).
- Unmatched growth potential with top 1% rankings for WW, YW, RADG, and Carcass Weight
- Calving-Ease with top 20% CED and a negative BW rank in the top 25%
- Strong genetics for end-product merit that includes a top 10% Ribeye rank, and when combined with his growth – he ranks in the top 4% for \$Beef Index.

Aside from his output potential, BIGHORN looks to elevate replacement quality in his daughters with:

- Top 10% — Calving-ease Maternal and a balanced Milk value of (+32)
- A balanced suite of EPDs for the new maternal traits that include Teat (top 30%), Udder Structure (top 50%), and Functional Longevity (top 35%).
- Top 20% — Docility

Aside from his genetic strengths, BIGHORN is a true standout due to impressive individual qualities and pedigree. He weaned off at over 800 lbs. and had an adjusted yearling weight of 1,510 lbs. With all that power and performance, BIGHORN maintains an impressive skeleton with extra base width and accurate alignment that results in a massive, easy-moving, level-designed individual with a herd bull look.

Built the Right Way. Maternal to the Core.

Start your stamp collection and get your herd stamped with a sire designed to leave a lasting mark. SITZ Stamped 671N represents generations of disciplined, maternal-focused breeding—where functionality, fertility, and structural integrity are non-negotiable. Anchored by the Barbaramere Nell and Elsiemere cow families, his pedigree is further strengthened by his maternal granddam, SITZ Elsiemere 60G, the dam of the widely-respected SITZ Essential—a testament to the kind of cow power that drives long-term success.

Stamped 671N offers a balanced, no-holes profile with Top 30% CED and moderate birth, flowing into Top 10% WW and YW for practical, efficient growth. His true value lies in his ability to build a better cow herd—ranking Top 1% Heifer Pregnancy, combined with elite udder design (Top 2% Teat, Top 4% Udder) and Top 4% Claw, ensuring structural soundness and longevity in his daughters. Backed by Top 1% \$M and Top 3% \$W, Stamped is built to deliver maternal profitability and efficiency, while maintaining balanced performance across the board. This is a bull that doesn't just fit a program—he leaves his mark on it.

Stamped 671N is not built for a single trait—he's built for the long haul. From pasture to replacement pen, his influence will be seen in fertile, sound, efficient daughters that hold up year after year, backed by one of the most proven maternal lines in the SITZ program.

Multi-trait Excellence Free of Deficiency.

Dominion is an elite calving-ease prospect that can not only improve nearly every economically relevant trait, but he also provides a universal set of genetics with no major production weaknesses to breed around.

- \$C +433 (Top 1%), and the #1 son of Basin Jameson in the breed.
- Top 3% for \$M and top 1% for \$B
- Inside Top 3% — CED, Growth, Teat Length, Foot Angle, Carcass Weight, Marbling, Ribeye; Top 4% Udder Structure
- Top 10% — CEM
- Top 15% — Claw Shape
- Top 20% — Docility, Hair Shed, Residual ADG

As good as Dominion is on paper, he is equally impressive in person where he excels at the ground with tremendous foot quality and skeletal design. He is a long-sided, level-made, tight-sheathed individual that tracks out wide and square. His dam is a massive-made, high-capacity female with an impeccable udder structure and ideal teat design.

We feel this young sire has as much potential on the seedstock side as any bull in our lineup.

The Keynote of Progress.

Cherne Keynote K386-N144 is a true building block sire—designed to anchor a program with balance, integrity, and profit-driven performance. Backed by the proven Basin Keystone × Fair-N-Square × Blueprint combination and supported by the productive Gammer cow family, N144 traces back to the legendary Bon View Gammer 85, the dam of Bon View New Design 878 and Woodhill Foresight, further cementing the maternal depth and generational consistency behind this standout herd sire prospect.

Keynote offers a balanced, real-world profile starting with Top 20% CED and a negative BW, making him an excellent option for added calving ease without sacrificing performance. He drives forward with Top 10% WW and YW and Top 25% RADG, delivering efficient, growth-oriented cattle that perform from pasture through finishing. His maternal strength is equally impressive, highlighted by Top 10% Milk, Top 10% Teat, and Top 5% Foot Angle, ensuring functional, productive daughters with longevity built in. Add in elite disposition with Top 1% Docility, and you have cattle that are as manageable as they are productive.

On the carcass side, Keynote rises to the top with Top 1% REA, Top 5% CW, and strong marbling, translating into real grid value. His index profile solidifies his elite status—ranking Top 1% \$M, \$W, and \$C, and Top 5% \$B, making him a true multi-purpose sire that drives profitability across every segment of the industry.

Keynote K386-N144 lives up to his name—serving as a cornerstone sire that ties together calving ease, growth, maternal strength, structural quality, and carcass merit into one complete, dependable package.

Exceptional Balance. Maternal Power. Carcass Quality.
 AFFIRMED is a true multi-trait sire, combining maternal functionality, structural integrity, and carcass quality into a balanced, highly-usable genetic package. Ranking above breed average for 26 traits, he offers the kind of predictability and real-world functionality that progressive cow herds demand. He posts Top 20% Calving Ease with Top 25% Birth Weight, while maintaining Top 15% Weaning Weight and balanced yearling growth, creating a usable performance curve. His efficiency profile is highlighted by Top 20% Dry Matter Intake, supporting efficient gain without excess feed requirements.

Perhaps more impressive, he has elite trait rankings bolstering his \$M to the top 2% of the breed that feature:

- Top 4% — Calving Ease Maternal and Udder Structure
- Top 10% — Teat Length
- Top 25% — Heifer Pregnancy and Functional Longevity
- Top 35% — Hair Shed; Top 45% — Docility

This unique opportunity for sexed female semen will put you on the fast-track to high-value daughters with unlimited production potential for a wide variety of markets.

A unique combination of power and eye appeal with optimal performance.

This is the initial release of HABIT, the high-selling standout from Oklahoma Cattlemen's Congress at the National Angus Bull Sale. This son of Bold Ruler was one of the most talked about bulls in the city for his distinct advantages in muscle expression, quality skeletal design, and a performance look. HABIT is moderate for birth with top 10% Growth and a top 2% breed rank for Residual Average Daily Gain. He has a balanced suite of carcass EPDs, and when combined with his output potential, he ranks in the top 5% for \$Beef Index as well.

A flush sister to this bull was the \$110,000 high-selling heifer calf in the 2025 Hopson Angus Production sale, and their dam was an \$80,000 feature in the 2020 Express Ranches Big Event Sale.

Hopson Rita 5018 // The \$110,000 flushmate sister to Habit

Proven Power Backed by Real-World Performance.

PENDLETON is a proven, no-miss genetic package built on one of the most trusted sire stacks in the Angus breed. He blends time-tested maternal strength with balanced performance and structural integrity—making him a reliable choice for programs focused on longevity, consistency, and real-world profitability.

PENDLETON offers a highly-functional and balanced EPD profile, combining Top 10% CED with Top 10% WW and Top 20% YW, delivering calving ease with added pounds at weaning and yearling. His maternal design is equally dependable, highlighted by Top 25% Heifer Pregnancy, solid fertility, and a proven cow family foundation known for durability and production. Structurally, he excels where it matters most, ranking Top 4% for Foot Angle and Top 15% for Docility, ensuring cattle that are both sound and manageable in any environment.

PENDLETON's value is further validated where it counts most—through his progeny. Across 100+ head of calves in more than 11 herds, he records a 99 Birth Weight Ratio, 101 Weaning Ratio, 111 IMF Ratio, 102 Ribeye Ratio, and 99 Fat Ratio, proving his ability to transmit balanced performance with added carcass merit in real-world conditions. On the carcass side, he maintains a profitable and consistent profile with Top 15% Marbling, Top 15% Ribeye, and Top 20% Carcass Weight, supporting grid-based marketing systems without sacrificing maternal strength or structural integrity. Backed by Top 10% \$M and \$C and strong rankings across \$W, and \$B, Poss Pendleton is the definition of dependable—delivering a complete, proven genetic package that adds value without adding risk.
