

# PRECISE CATTLE

PRODUCTION SALE VOL. IV

First semen  
being offered by  
DBA/Wilks Rhinestone 5119

**THURSDAY, APRIL 9, 2026 | 7 PM EST**

**CCI.LIVE ONLINE**

# WELCOME

First and foremost, we would like to cordially invite you to join us for the Precise Cattle Vol. IV Production Sale that will be held at Precise Cattle on Thursday, April 9 at 7 pm EST. This year's sale format will be a LiveOnline hosted on CCI.Live. Although the sale will be a LiveOnline format we welcome you to join us in person as we will have refreshments and hors d'oeuvres available. The cattle will be on display Thursday, April 9 starting at 1 pm EST.

At Precise Cattle our program has always been driven by our goals to produce Angus cattle with purpose, consistency and value to the customer. What started as a vision has steadily grown into a program we are incredibly proud of and we continue to strive each and every day to produce a better product. With each passing year, we have focused on strengthening our program through disciplined selection, proven genetics and a commitment to improve the quality each year. Every mating decision, every retained female and every herd sire we introduce to Precise Cattle is done with intention, to make the cattle better.

This year's offering is a direct reflection of the progress we have made not only in numbers, but in quality. We believe this is the strongest set of Angus cattle and frozen genetics we have brought to you to date.

At Precise Cattle we recognize buying cattle is an investment and our goal is to provide Angus genetics that will go out and work and in return add value to your operation.

None of this would not be possible without your support and confidence in our program and we are incredibly grateful for our continued support from our customers, friends and family who have helped us grow over the years. Your confidence in our program means everything to us, and we simply want to say Thank You.

In closing we certainly hope you can join us in person or online at CCI.live to evaluate this year's offering on Thursday, April 9 at 7 pm EST. Whether you are with us in person or participating online, we truly appreciate your interest in the Precise Cattle program. If you have any questions about the offering, please do not hesitate to contact myself or the sale manager as we will be more than happy to answer any questions you may have.

Precise Cattle

+67	+91	+124	+110	+235	+372			

• We begin this year's offering with an elite herd sire prospect, Precise Keyston 5020, sired by the ever-popular EZAR Gettysburg 1061 and out from the immortal donor dam Yon Sarah K653. Yon Sarah K653 was lead off featured female in the Yon Female Spring 2022 Production Sale commanding \$40,000 as a three-month-old heifer calf. Yon Sarah K653 is a maternal sister to the ever-popular Yon Top Cut a featured AI sire for Select Sires. Other featured maternal brothers to the K653 donor dam include Yon Silverstreet, Yon Premium and Yon Saluda.

- Precise Keystone 5020 not only offers a unique and proven pedigree but does so with such an incredible build. Attractive, well balanced and equipped with tremendous depth from the profile but also is stout designed and loaded with shape when evaluated from any angle. I call this high-end performance bull the right so as he puts pounds on with added length, depth of body and true muscle. Sound at the ground and equipped with a large scrotal only enhances the value of the elite herd bull prospect. Pictured at just 11 months of age and you can see the kind of beast Precise Keystone 5020 is.
- Precise Keystone 5020 comes with a tremendous EPD profile that offers moderate birth, explosive growth, value-added carcass merit and maternal strength.
- He ranks in the top 2% for YW, Marb, \$AxH, \$G, top 3% for WW, \$B, \$C, top 4% for \$AxJ, top 5% for CW.
- Maternal sister sells as Lot 2.
- Selling Full Possession and 2/3 Semen Interest.

RSA True Balance 1311 - Sire of Lot 2

- Sells with black recip dam tattoo#7839
- A spring ET heifer sired by the ever-popular RSA True Balance 1311 whose progeny have commanded to dollar from coast to coast since his first progeny were offered. The donor Dam Yon Sarah K653 is the former \$40,000 feature female in the Spring 2022 Yon Female Sale that was just 3 months of age when she sold. Maternal brothers to the donor dam include the very popular AI sire Yon Top Cut, Yon Silverstreet, Yon Premium and Yon Saluda.
- The upside this elite young heifer calf is endless as she offers calving-ease, performance, excellent maternal and elite carcass merit as she is currently the #9 non-par-parent female sired by RSA True Balance in the breed for Marb EPD at +2.19. Study her numbers as she ranks in the top1% for Marb, \$AxH, \$G, \$B and \$C. Strong maternal presence that ranks in the top 10% for CEM, top 15% for TEAT, UDDR and Milk.
- Maternal brother sells as lot 1.

SM	SW	SF	SG	SB	SC			
+86	+119	+151	+120	+272	+439			

- The donor dam, Precise Erica 0234, of lots 3A and 3B was featured as lot 1A in the Precise Cattle 2024 Production Sale commanding %15,000 for 1/2 interest. When you currently run 0234's EPD minimums among Breakthrough daughters for CED, WW, YW, Marb and SC she is the #4 daughter in the Angus database. The maternal granddam, Williams Prop Erica 255 110, has been a mainstay donor in the Precise Cattle program where she herself commanded \$17,000 for 1/2 interest in the Precise Cattle 2025 Production Sale.
- The sire Rhoades Swarovski 3007 is the former \$315,000 feature high seller in the 2024 Rhoades Ranches 2024 Sale. A direct son of the legendary RB Lady Denver 168-453. Considered by many to be the stoutest designed direct son of 453 and with EPD profile is is hard to find one to match his phenotype and genotype.
- Among non-parent females in the Angus database 5127 is the only female in the population when you plug in her minimum EPD's for CED, BW, WW, YW and SC. Not only does she have the genotype when you study her phenotype it is impressive. Stout designed female with added width of top, depth of body and ultra sharp through her front 1/3. Powerful in her overall design yet still has a very feminine head and design to her. I believe this female will make an immediate impact in any operation once she get into production. The Swarovski semen was only sold at auction and commanded top dollar. With a limited amount of semen offered take advantage of this elite up and coming donor.
- Ranks in the top 1% for CED, WW, YW, Milk, TEAT, CW, RE, \$AxH, \$AxJ, \$W, \$F, \$G, \$B and \$C.
