• **Owned by Loose Arrow Angus**

• **Heifer Pregnancy Due 8-29-26**

• If you're a fan of data, it doesn't take long to realize 3266 is one of the most unique females in the Angus breed. She is a low birth, high CED female that is simply a "way out there" outlier as she ranks in the top 1% of the breed for \$M, \$G and \$C, while ranking in the best 5% of the breed for \$EN at +11. When you run a very basic sort with her levels of Marb, RE, \$M, \$C and \$EN, she's the only animal in the breed. 3266 was a \$60,000 ½ interest feature of our recent September sale, going to Betts Angus and Loose Arrow Ranch, while a daughter sold to Bear Hill Cattle Company for \$32,500. Three embryos out of 3266 by Ambitious were highlights of the Byrd February 2025 embryo sale, commanding \$12,000 each to the Hay Ranch. The calf from this mating to Grid Maker could well be set up for a genomic explosion!
