Cortney Holshouser, Executive Secretary

## AMERICAN ANGUS ASSOCIATION

Reese Tuckwiller, Regional Manager 308.360.3048

## LOT NUMBERS

The ear tags will correspond with the lot numbers in the sale book.

## SALE ORDER AND UPDATES

Cattle will not sell in sale book order. A sale order and update sheet will be provided on sale day. The update sheet will also provide complete and updated calving information. Announcements made from the auction block regarding the cattle selling in this sale take precedence over information listed in this sale book.

## TERMS AND CONDITIONS

Cattle will sell under the suggested terms and conditions of the American Angus Association. Terms can be found online at [www.angus.org/Pub/suggested-sale-terms.pdf](http://www.angus.org/Pub/suggested-sale-terms.pdf)

## FOOD AND REFRESHMENTS

The North Carolina Junior Angus Association will serve lunch at the sale. All proceeds will be retained by the Juniors for their activities.

## INSPECTION OF CATTLE

Cattle may be viewed at the sale facility on Friday, April 24, after 2:00 PM, and on Saturday, April 25, after 8:00 AM.

## DELIVERY ASSISTANCE

Truckers believed to be reliable will be available to assist you in shipping your purchases.

## LIABILITY

All persons who attend this sale do so at their own risk, legal or otherwise, for their safety or for the behavior of the animals. The owners, sale committee and the sale staff assume no liability for property loss or any accident that may occur.

## HERD HEALTH

All cattle will be accompanied by proper health certificates for immediate shipment.

## SALE BOOK REQUESTS

For a sale book or additional information, please contact the NCAA office at 919.796.2346.

## ELITE HEIFER PROGRAM

NC Elite Heifers have passed breeding evaluations and performance qualifications. The NC Elite Heifers will be identified on sale day with a red ear tag. A complete list of heifer eligibility is available online.

## **Welcome to the 42nd Annual NC Spring Fever Sale!**

I had a great tour around our beautiful state to see Great Angus Producers and their hard work they have produced over the years. NC is an incredibly diverse agriculture producing state and Angus are a great part of that. As always we will have a great line up of Fall Pairs, Elite Bred Heifers, Bred Heifers, Bred Cows, Spring Pairs, Open Heifers, Embryos and this year three Elite Pregnancies. As you know the cattle market remains strong and high quality Angus Genetics are on the forefront. Beef producers it's our time to stay in the driver seat and the best way to do it is improve genetics and production, and I feel this offering will do just that. So come join us and our members for a great event in Union Grove, NC at the Shuffler Farms Sale Facility. Feel free to reach out to any of the consignors about their offerings. As always feel free to call me at 336.736.6340 for any assistance you may need on the offering.

Thanks,  
Zach Moffitt

• The 909 Ranch

• Heifer Pregnancy in a TransOva Recip, Due 10-12-26

• What an incredible opportunity, a heifer pregnancy by GAR Grand Slam and the dam of FF Rito Hustler and FF Rito Ambitious, RMRK Rita 0237. Rita 0237 was the \$115,000 1/2 interest purchase of The 909 Ranch & Bullington Cattle in the 2024 Fall Byrd Cattle Sale. She is an over Million-Dollar Producer whose progeny continue to gain attention across the country. Her daughter, BYRD Rita Prov 0237-2B43, was the \$250,000- valued highlight of the 2024 National Finals Angus Sale in Las Vegas, selected by Circle F Farms in Baxley, GA. In the Byrd 2025 production sale, the #1 \$C Congress daughter in the breed by 0237 was selected by Smith Valley Angus for \$60,000. In the 2025 Fall Harvest Sale, a pregnancy by True Balance was the \$20,000 selection of RS Angus in Dodge City, KS. The mating possibilities with one of the most unique numerical sires in the breed today has unlimited potential. Genetically, they complement each other very well for Production, Maternal and Carcass Traits with excellent potential to improve management value. The impact this calf could have on a program is outrageous!!!

| Dam  | +54 | +45  | +10.5 | +39  | +1.63 | +1.01 |

- Biltmore Company
- Heifer Pregnancy Due 9.21.26

• The Ruby Family has been as dependable as you can expect for us. Stemming back to the Multimillion Dollar Producer, 44 Ruby 2357. Ruby M415 is an upcoming young donor for us, who is out of the \$30,000-valued Ruby K402 we own in partnership with The 909 Ranch. M415 is a high-ranking Hart Network daughter who possesses a solid EPD profile for Production, Maternal and Carcass Merit. Among Hart Network Non-Parent Daughters she ranks #6 for Marb, SG, #3 for SW, and #1 for CW, SF, SB and SC! This mating to Wilks Crick for a heifer due 9.21.26 should offer improved Management Value and increased genetic merit for Production and Carcass Merit. Crick semen has been in short supply and the genetics have been in high demand so lock in and don't miss this one!

- Wass Cattle Company
- Heifer Pregnancy Due 11.2.26
- This heifer pregnancy offers great genetic value with a different twist on pedigree. Sired by the \$160,000 Wilks Achiever who was the selection of Grimmus Cattle in the 2025 Fall Wilks Bull Sale. Achiever is one of many sons of the multimillion-dollar-producing DBA Rita 1034. Achiever's full sister, Wilks Rita 4807, was the \$165,000 highlight open heifer in the Wilks Fall Female Sale, selected by the Gabriel Ranch/Pollard Partnership. He is a super sound, young sire with great muscle pattern, foot shape and very fluent on the move. The combination with Wonder 1216 1924 could be absolutely incredible. They both offer superb value for Production, Maternal, Management, and Carcass Value.
- When you sort her against non-parent daughters of HPCA Vision, she is the #12 \$B, #11 \$G, #8 DMI & \$EN, #5 Marb, #2 FL, and #1 for \$M & \$C daughter in the breed!!!! There is a ton of earning potential here from a different cow family that can move you to the forefront.

NCAA President Michael Wyatt presides over the Annual Business Meeting.

Touring Prestage Farms during the NCAA Fall Field Day.

• Shelton Angus Farm

• AI'd to PEAK Draft Pick (20513315) on 12/9/2025.

- This incredible first-calf heifer sired by Yon Top Cut G730 combines added performance with maternal strength. She ranks at the top of the breed for weaning and yearling growth, while excelling in heifer pregnancy and milk to ensure productive, fertile daughters. A standout for \$Weaned index, she offers the kind of balanced genetics that drive pounds at weaning and long-term cow profitability. A young cow with the credentials to make a lasting impact on any program.
- She sells bred to PEAK Draft Pick, the standout bull from Genex, adding even more performance and value potential to the package. Her dam records a Weaning Ratio on 2@105 and IMF on 7@102, while L5 herself earned WR of 109 and a YR of 103.
- Ranks in the top 5% for \$W; top 10% for WW and YW; top 15% for HP and MILK.

• Shelton Angus Farm

- Wow—what a spread from BW to YW. She possesses an incredible combination of CED and BW with a spread of -3.3 BW to 152 YW. If you are looking for calving-ease type cattle with high growth, this is your heifer. A bull producer's dream. Once the heifer retention starts, this will be the kind of female to help produce those heifer bulls that will be needed. She offers great fertility marks and top 20% Milk EPD without sacrificing any end-product merit.
- Ranks in the top 1% for BW and CED; top 10% for FAT and YW; top 15% for DOC and MILK; top 20% for \$W and MARB; top 25% for \$B and WW.

- Mill Creek Cattle Co.
- AI'd 1.29.26 to EXAR Bona Fide
- Big-time performance and carcass-driven mature female sired by Connealy Clarity. She ranks among the breed's best for weaning and yearling growth, while excelling in carcass weight and ribeye to add true payweight and red meat yield. Her elite \$Grid and \$Beef values highlight her ability to capture premiums on the rail, and she stands in the top 1% of the breed for both \$Feedlot and \$Combined value—an elite economic profile built for maximum return.
- She sells bred to EXAR Bonified, stacking performance and carcass merit on an already proven foundation. A powerful, profit-focused cow with the credentials to elevate any serious program.
- Ranks in the top 1% for \$B and \$C; top 2% for CW and RE; top 10% for \$W, DOC, MARB, WW, YW and Angle; top 15% for Claw; top 20% for \$M.

- Springwood Angus
- AI'd 11.20.25 to GAR Home Run
- Proven, productive mature female offering a balanced performance profile. She posts above-average EPDs for weaning weight, \$Beef, and \$Feedlot, and ranks in the top 10% of the breed for yearling growth—adding stretch, payweight, and end-product value. A dependable cow with the kind of data set that supports both feeder-calf demand and grid-based marketing. She sells bred to GAR Home Run, adding additional carcass merit and growth to an already solid foundation. A profit-minded female ready to continue working in any progressive herd.
- Ranks in the top 10% for DOC and YW; top 15% for \$B; top 20% for MARB and WW; top 25% for CW and FAT.

- H & D Angus
- AI'd to Connealy Cornhusker (20976416) on 1/11/2026.
- This is a highly-maternal female from the H&D program, sired by Craftsman and bred back to Connealy Cornhusker for a fall calf. She is a balanced-trait female with added value for Claw, PAP, and HS. Her calf coming by Cornhusker should add tremendous value to her genetic profile.
- Ranks in the top 15% for \$M.

- H & D Angus
- AI'd to Connealy Cornhusker (20976416) on 12/24/2025.
- A double-dose of Select Sire Roster members here, Craftsman and Growth Fund. This heifer should bring added growth, Milk, foot improvement, CW and RE to the table. She is bred to Connealy Cornhusker for a fall calf that should offer plenty of eye appeal and genetic value.
- Ranks in the top 1% for MILK; top 5% for \$W; top 15% for HP and RE; top 20% for Angle; top 25% for YW.

- Black Cedar Angus
- AI'd to Baldridge Heat Seeker H925 (19806485) on 12/5/2025. Confirmed Bred, Due 9/15/26
- This is a full sister to the \$37,500 Springfield Comet 1039 who is out of the \$40,000-valued donor dam, ACC Rita 7016. Maternal siblings include the \$14,000 ACC Rita 0547 and \$11,500 Springfield Rita 1041. She is a high-growth female with added fertility and great end-product merit. Sired by the popular Fireball, who has made a great impact in the Angus breed for added Marbling in every calf crop.
- Ranks in the top 5% for \$B; top 10% for CW, MARB and YW; top 15% for WW and \$C; top 25% for \$C.

ACC Rita 7016 - Donor dam of Lot 32

• Owens Family Farms

• AI'd to Connealy Cornhusker (20976416) on 1/02/2026.

- The dam of 2410 & 2402, URF Sarah 1503, was purchased at the Spring Fever Sale as an Elite Heifer. At nearly 11 years old, 1503 has a perfect udder and teats. 1503 has never failed to settle to AI breeding in one single service. She's never been bred by natural service. The Grandam to 2409 and 2410 is the legendary Yon Sarah Y79 Foundation Female in the Yon and Uwharrie Ridge programs. We can't fail to mention that they stem from the great and multimillion-dollar producer, Yon Sarah N170, who is the staple of the Sarah Family.
- Ranks in the top 1% for Angle; top 10% for HP; top 15% for WW; top 20% for MARB and YW; top 25% for \$M and \$C.

Getting last minute bids in for the Auxiliary's Silent Auction at the Annual Meeting.

• Harve Creek Cattle Co.

• Al'd to 4 Sons Breakaway (20569806) on 11/14/2025.

• This Bold Ruler daughter has plenty of rib capacity, hip, muscle and bone. She will be easy to find on sale day. Out of our 609 daughter who was purchased at Spring Fever from Butcher Branch Angus. She offers double-digit calving ease, growth, maternal value, an excellent combination of Doc, Claw, Angle, and HS. When you study her indexes you will really like her \$M, \$W, and \$C. She is bred to the popular 4 Sons Breakaway for a calf that should add profit to the package.

• Ranks in the top 3% for \$W, DOC, \$M and Angle; top 10% for CED and WW; top 15% for YW; top 25% for BW, HP, MILK and \$C.

- Shelton Angus Farm
- AI'd to Connealy Cornhusker (20976416) on 12/5/2025.
- This is very well built and attractive daughter of Connealy Craftsman. She is feminine with a deep rib cage and plenty of hip. She earned a 617 ADJ WW to ratio 108 and an 838 ADJ YW to ratio 100. She comes from a highly-productive dam who has a progeny record of 3@108 Weaning Ratio and 3@105 Yearling Ratio. Stemming from the reliable Lass Family, that has been a mainstay for Shelton Angus, these are genetics you can set a clock by. She offers top 4% Growth Traits, a great Combination of Management Traits, and very useable end-product Values. She is in the top 1% of the breed for \$M and \$W with indexes over 100! AI'd to Cornhusker for a fall calf--don't miss this one!
- Ranks in the top 1% for \$W; top 2% for WW and \$M; top 4% for YW; top 10% for DOC and Angle; top 20% for \$C; top 25% for FAT.

Buddy Shelton Wins the Ira Gentry Award for having the High-Selling Lot in the 2025 Spring Fever Sale.

- Mill Creek Cattle Co.
- AI'd to EXAR Bona Fide (20562437) on 1/9/2026.
- 427 is a Fireproof Daughter out of the Edella Family. She offers high tabulations for CED, DMI, Milk, FL, PAP, Marb and RE. When you study her indexes, you will find \$M, \$W, \$F, \$B, \$C and \$C to be top 35% or better. She has been AI'd to the new True Balance son at Origin, VAR True West, for a fall calf that should add muscle and growth to an already outstanding package.
- Ranks in the top 2% for MILK; top 10% for MARB; top 15% for \$B, \$W, CED and \$C.

### • Legacy at Pine Hill Farm

- This female has a pedigree that screams mama cow. Sired by Tehama Tahoe and out of a Final Answer daughter, she possesses great value for CED, BW, DMI, Milk, \$EN, HS, \$M, and \$W. She has the makeup to stay in the herd for a long time. She will come to the sale with a bull calf by True North that could pay for the package when he's old enough to breed.
- Ranks in the top 10% for \$W and \$M; top 15% for BW.

- SSS Farms
- AI'd to G A R Wallace (20617150) on 2/28/2026.
- A balanced Righteous daughter that stems from Byergo Elia 6348. She is super powerful and beautifully designed. Her bulls have sold at Brushy Mountain Genetics, with the highest one selling for \$8000. She puts a lot of growth in her offspring. If you are selling bulls, this is definitely a female you need to put on your list. She has adequate carcass value and high-ranking \$Wean Index. She has been bred to GAR Wallace whose semen has been tough to get.
- Ranks in the top 5% for HP; top 10% for MILK and YW; top 15% for WW; top 20% for CW; top 25% for SW and RE.

- A massive boned, broody female stemming from the Isabel cow family. 57M's granddam is a full sister to one of the most influential cows the breed has seen, Baldrige Isabel Y69. This makes 57M's dam a full sister in blood to Baldrige Bronc and 38 Special. Study her great set of EPDs, top 15% for WW, YW, Teat, Udder, and functional longevity. All while also having over a 1 on RE and having a 95 \$M and top 4% HS. Sells open, ready to breed.
- Ranks in the top 5% for \$M; top 10% for \$W and Angle; top 15% for WW and YW; top 20% for DOC, FAT, RE, Claw and \$C; top 25% for MILK.

- Harve Creek Cattle Co.
- 3 IVF Embryos with a 1 Pregnancy Guarantee if put in by a certified Embryologist.
- What a great opportunity to invest in the Whitney Family if you don't have one. These embryos are out of one of the newest additions to the HCC Donor Pen. She was selected at the 2025 Gutwein Angus Sale, while her cow family was one of the sale highlights. Her full sister, GA Whitney 1044-4611, was the \$55,000 selection of Grimmus Cattle in Hanford, CA, while their dam, Hart Whitney 1044, was the \$55,000 selection of Linz Heritage Angus in Byars, OK. The Whitney's have been popular all over the country for their attractive phenotype, growth, maternal and carcass value. These embryos are sired by the popular Wilks Promise Keeper who is a full brother to Wilks Warrior and Wilks Crick. These brothers have been in high demand—here is your chance to combine two great cow families that offer Pedigree Value, Phenotype and Explosive Genetic Potential on the Tabulations!

- Wass Cattle Company
- 3 IVF Heifer Sexed Embryos with a 1 Pregnancy Guarantee if put in by a certified Embryologist.
- Wow, what a mating. These will be some of the first Achiever Embryos to be sold and they are Heifer Sexed! Lassie 133L was a sale highlight at the 2025 Biltmore Sale, commanding a value of \$34,000 selected by Wass Land & Cattle. She had an incredibly fancy True Balance heifer by her side on sale day. Now is your chance at some heifer sexed embryos by the \$165,000 Wilks Achiever. This is such a complementary mating between sire and dam that you could really have something special here!

## 64B DILIGENT X LASSIE 133L

- Wass Cattle Company
- 3 Heifer Sexed IVF Embryos with a 1 Pregnancy Guarantee if put in by a certified Embryologist.
- This set of embryos is sired by the \$740,000-valued GAR Diligent. He offers an incredible genetic profile, checking the boxes for Production, Maternal, Doc, PAP, and Elite end-product Merit. His indexes are outrageously strong: top 3% for \$M, 10% for \$W, and 1% for \$F, \$B and \$C. Another complementary mating for Lassie 133L that should add value to any program.

## NORTH CAROLINA ANGUS ASSOCIATION ELITE ANGUS HEIFER PROGRAM

Since the beginning of the NC Elite Angus Heifer program at the 2011 Spring Fever Sale, these elite heifers have brought a premium price at the NCAA hosted sales. These heifers are identified at check-in and will be tagged with a unique red ear tag with the NC Elite Angus Heifer Logo. The NC Elite Angus Heifer program is designed to allow Angus producers and members of the NCAA to group like heifers together to increase the animals' value and provide buyers with the highest quality Angus heifers available in the state. These heifers are only available on the NCAA sponsored sales.

The NC Angus Association is pleased to offer buyers the opportunity to increase the breeding potential and overall profitability of their herds by purchasing a "NC Elite Angus Heifer." In order to qualify for NC Elite status, Angus heifers must pass a pre-breeding evaluation, be vaccinated at sale date, verified pregnant, meet weight and body condition requirements, and have AHIR data on hand. They will all be sired by an AI bull and will be bred to an AI bull. These heifers are truly the cream of the crop.

Elite heifer requirements can be found online at [www.ncangus.org](http://www.ncangus.org).

A complete list of eligibility requirements will be available sale day and the "NC Elite Heifers" will be identified with a special red ear tag. To increase genetic potential and the overall profitability of your herd, take home a NC Elite Angus Heifer.
