OX & COLLIER CATTLE COMPANY
REGISTERED BLACK ANGUS

3RD ANNUAL PRODUCTION SALE

APRIL 23, 2026 | 6 P.M. EDT |

CCI LIVE LiveONLINE™

CLINTON, TN

WELCOME

to the Cox & Collier Cattle Company Third Annual Online Production Sale.

We are proud to present a set of cattle that represents years of intentional breeding, careful selection, and a commitment to producing animals that excel in both phenotype and function. This offering reflects our program's focus on cattle that not only look the part but also perform where it matters most—in the pasture and in the production records.

The cattle featured in the 2026 sale combine structural correctness, balance, and eye appeal with the kind of practical traits commercial and seedstock producers demand. You will find cattle with strong maternal characteristics, sound feet and legs, excellent body capacity, and the muscle expression necessary to add value across the beef industry. Each lot was developed with longevity and productivity in mind.

While phenotype is important, we believe that function drives profitability. These cattle are bred to thrive in real-world conditions. Fertility, maternal ability, disposition, and durability are key priorities in our program. The genetics represented in this sale have been selected to produce cattle that work efficiently, raise quality calves, and remain productive for years to come.

This year's sale is once again online, allowing buyers the opportunity to evaluate the offering, study the data, and bid from the convenience of their home or ranch. We encourage you to study the videos, pedigrees, and performance information included in this sale book as you make your selections.

We are extremely grateful for the support of our past buyers and excited to welcome new customers to our program. Your confidence in our cattle means everything to us, and we remain committed to producing cattle that add value to your operation.

Thank you for your interest in our Third Annual Online Production Sale. If you have any questions about the cattle, please do not hesitate to reach out.

We look forward to working with you on sale day.

Sincerely,

Rowdey and Linda
