SHOW EMBRYO ONLINE SALE

Wednesday, April 8, 2026 • 7 pm CST

As we look to the future of Express Ranches, our focus sharpens on what has always driven our success—high-performance, functional, profit-driven cattle. We are doubling down on advancing real-world genetics, maternal strength, structural integrity, and the kind of performance that delivers where it matters most: in the pasture and on the bottom line. Our commitment has never been stronger to the cattle industry.

As we close the chapter on the EX Show Program, we do so with immense pride in the legacy it created. This program helped shape countless champions and provided unforgettable opportunities for young cattlemen and cattlemen across the country who proudly carried the EX brand.

We invite you to study this offering of show embryos closely—each one backed by generations of proven champions and pedigrees, and breed-leading influence. This is more than a sale; it's an opportunity to invest in the future of the industry with genetics that are built to be winners.

Thank you for being a valued part of the Express Ranches show-ring story—we're excited for what's ahead.

Sincerely,

Donnie Robertson  
Kevin Hafner

• Selling three IVF embryos with a guarantee of one pregnancy if implanted by a certified technician.

• Featuring three sets of embryos from the fourth-generation Express Ranches Frontier Gal and member of the donor program, Frontier Gal 0732 sired by the Nowatzke Cattle Company sire of sale toppers, Dignity 8017, the Seldom Rest Farms and Nowatzke Cattle Company headliner, Regulate 0105 and the proven Lazy JB Angus, Dameron Angus and C5 Angus highlight, Ego 1428.  
• Frontier Gal 0732, the donor dam of Lots 20A through 20C was a many-time champion for Londyn Slaughter and was Reserve ROV Intermediate Show Heifer of the Year and blends the outcross sire, Express 7211 with a direct daughter of the legendary matriarch and \$3.8 million producer, Frontier Gal 1405 sired by Skyfall 2812.

For over three decades, Express Ranches has had the distinct honor of being part of your families, your show barns, and your success in the show ring. Deciding to bring our show cattle program to a close is bittersweet—especially because of the friendships we’ve built along the way. Truly, we consider you all part of our extended family.

From the very beginning, our mission has been clear: to produce elite genetics that blend exceptional phenotype with outstanding performance. Watching the EXAR prefix carried by champions across the country has been one of our greatest joys—not for the banners or trophies, but for the incredible people behind them.

To our loyal customers, past and present—THANK YOU. Thank you for trusting our genetics and for dedicating countless hours of hard work to the cattle that proudly carried the EX brand. Your passion and commitment are the reason this program thrived for so long.

Though our role in the show ring may be ending, we look forward to cheering from the stands and continuing to support the next generation of outstanding young people. The legacy of EXAR will live on—not just in the cattle, but in the young individuals who proudly represented the EX brand.

Thank You...
