SALES  
MARKETING

# W E L C O M E !

It is a privilege to welcome you to the 2nd Annual Red River Collection Sale. The sale will once again be hosted in Marietta, Oklahoma at the Brooks Land & Cattle Sale Facility. We are proud to offer a select group of spring calving pairs, fall cow-calf splits, bred and open heifers as well as a stout group of service age bulls. We truly believe that there is something here for everyone.

There is no doubt that the Charolais breed has become very popular over the past few years. With declining cow herd inventories and increased pressure on growth and red meat yield, Charolais genetics have never been more right for the times. Charolais bull sales have been exceptionally strong this spring and we feel that there is a need to continue to produce premium genetics, especially in the southern states. The breeders involved in this event are committed to producing quality cattle that can perform in any sector of the industry. No matter if you are looking for elite phenotype, or high end performance, it will be offered at the Red River Collection.

While this is only the second year of this event, we feel that we have a strong group of breeders and a good market established. We want to invite both purebred and commercial cattlemen to the sale to view some of the region's best Charolais genetics.

If the breeders, the other members of the sale staff, or I can assist you in any way, please do not hesitate to reach out.

See you on sale day,  
*Colt*

OFFERED BY. SKEANS CATTLE CO.

We decided to start the 2nd Annual Red River Collection Sale with an incredible genetic opportunity. Lots 1A & 1B are daughters of G4 Ms Madelyn 622, one of the highest impact donors in the breed over the past several years. 622 is the dam of the 55th National Champion Bull SKS Super Puncher and 57th National Champion Bull SKS Walk This Way. Successful daughters include SKS Madelyn 079K and SKS Madelyn 90K, Champion and Reserve Charolais at Houston in 2024. SKS Madelyn 53H, Champion Charolais Heifer at the 2021 State Fair of Texas and SKS Madelyn 95L, owned by Brecklyn Bloomberg, Secor, Illinois are a pair of other highlight progeny. Both of these females are proven producers with outcross pedigrees and unlimited production potential.

OFFERED BY DENNIS CHAROLAIS FARMS

Here is the first female from our anchor consignor, Dennis Charolais Farms. Eric always offers his best and judging by the success of his bull sale this year, breeders have taken notice. Lot 2 is a prime aged daughter of the resident herd sire DCF Swagger 361A, and out of an excellent Ledger daughter. She is a stout built, deep sided, cool looking female with tons of potential. This is the type of female that can make excellent male and female progeny.

*Due before sale to HPF SHF HIGH COTTON 784*

DCF SWAGGER 361A, Sire of Lot 2

OFFERED BY. LINK CHAROLAIS

Lot 5 is a direct daughter of breed legend LT Patriot 4004 PLD. Patriot daughters are known for their incredible maternal strength, longevity, and overall quality. This female offers all of those traits. She is long spined, deep ribbed, and good looking from the side. The sire of the calves at side of lots 5 & 6, DCF Axis 366, is a Tri-N Reload son that boasts a strong EPD profile.

*Bull calf at side, born 3/11/26, sired by DCF AXIS 366*

**LOT 26**

The next division is the fall calving cow-calf splits, and it is led off by a pair of high quality full sisters. These two unique individuals are by RBM Fargo out of M6 New Germaine 5150 P ET, a direct daughter of M6 Cool Germaine 1145 P ET and full sister to M6 Ms New Germaine 484 P. Both females offer an exceptional phenotype, breed leading EPD's, and plenty of pedigree depth. We feel that both females can make high impact donors for their new owner. Both females are nursing heifer calves by Renn Cowboy Romeo, we are confident in the genetic potential of those two.

**SVR BRIGHSIDE 514N**

BD. 9/11/25 AICA. M1022566 BULL CALF

**sire. DTR BRIGHTSIDE H107G2**

Lot 30 is a very well balanced female that ranks in the top 35% of the breed for 10 different EPD's. She is a stout, powerful, heavy milking female that has a track record of production. She produced a bull calf that was exported to the Philippines in 2025, and the bull calf before that was the top prospect at Spring Valley. This female goes back to M6 Ms New Jewel 0155 PLD on the bottom side. She is one that Tyson had a hard time offering for sale but being his first time in this event he wanted to offer his best.

**SVR RED BADGE 524N**

BD. 9/10/25 AICA. RF718433 HEIFER CALF

**sire. LAZY 3 RECKLESS 297H (RED ANGUS)**

I truly think that LT Badge will go down as one of the best producers in recent times. This female is great evidence of that. She is massively constructed, deep sided, and well balanced from the side. She offers exceptional growth and maternal traits alongside her powerful build. She has a half-blood Red Angus calf that will sell as a split, that heifer calf is a good indicator of what these type of females can do across all breeds.

LOT 39

We wanted to offer a select group of open heifers that are ready to breed not long after the sale. Lots 39-41 are all sired by the senior herd sire at Dennis Charolais Farms, DZC Renegade. This entire set of females is deep sided, easy fleshing and consistent in their type and kind. We feel that these are the right kind of heifers to build a program around.

OFFERED BY. LINK CHAROLAIS

Lot 42 is sired by LT Justified, a past LT sale feature that was one of the first LT Badge sons to sell at auction. The Badge sire group offers excellent eye appeal and dimension with an outcross pedigree. This heifer offers advantages in her calving ease traits along with a Marbling EPD that ranks in the top 15% of the breed.

M6 NEW GERMAINE 599 P ET, Dam of Lot 45

Lot 45 represents a unique opportunity to purchase a proven herd sire with plenty of upside potential. NGC Loadmaster is a maternal brother to the extremely popular NGC Capitalist 118J, a bull that has taken the breed by storm. Loadmaster ranks in the top 15% CE, 15% YW, 15% MILK, 6% CW, 20% REA, 3% MARB & 5% TSI. It is very rare for a bull with this much quality to be offered in the prime of his productive years. Eric is only offering him because he has kept several daughters and cannot utilize him anymore. Selling two-thirds interest and full possession, one-third interest will be retained by North Grove Charolais.
