Dear friends,

Welcome to our 21st annual Sedgewood Angus Bull Sale!

This year's sale will again be a live online auction with online bidding hosted by CCI.Live. I want to thank Mark Sims for being our auctioneer and managing our sale again this year. We also want to thank our many repeat buyers who have supported our program for the last two decades.

Sedgewood Angus strives to produce thick, easy handling, calving ease bulls whose calves come easy and grow fast. All our bulls have accurate DNA enhanced EPDs that document their large spread between birth weight and weaning weight EPDs. All bulls passed their Breeding Soundness Exams and are virgin 18 month old bulls with the exception of two stout 2 year old bulls we used in our commercial herd. It should be noted that we closed our herd to outside live animals 20+ years ago to ensure our cattle do not carry trich or any diseases that are endemic in the Southeast. Sedgewood has never had a bull to test positive for trich in the 32 years we have been raising Angus bulls.

Last year Sedgewood bulls sold into four states. Although many bulls were sold sight-unseen to satisfied customers, we strongly recommend bidders come in the weeks before the sale to personally evaluate them. Photos and videos are good tools, but walking through the bulls to see them up close really shows their individual characteristics.

NOTE: This sale will be held online and there will be no live activity onsite at Sedgewood Plantation on the day of sale. Please contact me at 601-761-0001 or Mark for any questions before the sale.

Thank you for taking the time to consider our offering.

Sincerely,

Bill and Nancy Howard

BILL, NANCY AND WILLIE

SEDGEWOOD PLANTATION

21ST ANNUAL ANGUS BULL SALE

SATURDAY, APRIL 25, 2026 // 1:00 PM CT – LIVE ONLINE ON CCI.LIVE 

SELLING 32 · 18-MONTH-OLD ANGUS BULLS

VIEWING OF BULLS

Bulls can be viewed at Sedgewood Plantation any time before the sale. Contact Bill Howard to set up a time to visit. Videos can be viewed by visiting www.simsplusllc.com or www.cci.live.

SALE SETTLEMENT

All bulls can be paid for at loadout when they are picked up at Sedgewood Plantation. Please make arrangements with Bill Howard.

TERMS & CONDITIONS

Bulls sell under the suggested terms and conditions of the American Angus Association.

BULL GUARANTEE

Sedgewood Plantation guarantees all bulls to be fertile and structurally sound through the first breeding season. In the event a bull becomes unable to breed cows for either of these reasons during the first breeding season, Sedgewood Plantation will provide a replacement bull or issue credit, minus the salvage value of the bull, for purchase of another bull. Breeding season is defined as the 90-day period following the first turn out of the bull. The fertility guarantee does not cover the bull's ability to produce freezable, high-quality semen suitable for artificial insemination. This is not a life insurance policy—this is a “failure-to-perform” guarantee. Sedgewood Plantation must be notified prior to the culling or selling of the bull and may require a veterinarian examination of the animal. Please contact Sedgewood Plantation with any questions.

TRICHOMONIASIS TESTING

All the bulls in the sale are virgin bulls and have passed a breeding soundness exam, but none of them have been tested for Trichomoniasis. If you live in a state that requires Trichomoniasis testing, Sedgewood Plantation will test the bulls before you pick them up. All the bulls are fully guaranteed to be negative for Trichomoniasis. Sedgewood Plantation has been closed herd for 20+ years.

DISCOUNTS

A 5% discount will be given to buyers who have purchased bulls from Sedgewood Plantation in the last two years.

 EPDs contained in the hard copy of this sale book were current as of print date. Digital versions of this sale book can be viewed online at www.angus.org and will have EPDs updated every Friday with the exception of EPD references in footnotes and photos. Any PDF downloads from the website will contain EPDs current as of the date downloaded. References: American Angus Association®, AHIR®, AngusLinkSM, CAB®, Pathfinder®.
