# THE 808 RANCH

# FEMALE SALE

# THE 808 RANCH

## *Greetings from the Ozarks!*

The Steiger family and our entire crew are excited to present this offering of 'Precision Genetics' in the Angus breed on May 4th.

The 808 Ranch is in its 6th year of operation, rooted in a legacy of beef excellence spanning three generations. Lamar & Carl's dad exhibited the champion carcass carloads in Denver several years in a row in the 1960s. Shari's father took an interest in Angus cattle in 1981, and here we are 45 years later still heavily invested in breeding functional, productive seedstock for America's beef supply chain.

We hope you'll take a look at our small but powerful selection. As we continue to build our herd we also want to present an offering from the cream of our female herd.

Thanks to our buyers from our first sale last year and welcome to our 2nd Female Sale.

Join us online May 4th at 6:00 pm CST on CCI.live. You're always welcome at The 808 Ranch and we are grateful when ranchers visit our home place. Feel free to call Chace or Carl anytime to discuss the cattle.

*The Steiger Family*
