We have known for quite some time that this female was special, not only on paper but on the hoof. She is near-perfect conformation, massive topped, has explosive rib shape, is massive hipped and, yet, still elegant fronted and is super sound, with excellent udder promise and great feet. She was the \$90,000 selection of Wilks Ranch in our recent 2026 sale. There are great things coming from this female. She will definitely make a positive impact on our industry.

Deer Valley Linda 4601 & SR Black Miss 2406 Embryos

Linda 4601 was our partnership selection with 4 Sons in the 2025 Deer Valley Sale. She was the \$100,000 top-selling open heifer, who is a direct daughter of the legendary herd-sire maker, Chair Rock Sure Fire 6095, who has surpassed over \$6 million in progeny sale that include GAR Home Town, GAR Grid Maker, AR Fire Proof, and EXAR Tomahawk. Talk about a cow family that has impacted our industry. We look forward to seeing what this beautifully designed Heat Seeker daughter has to offer. You can bet her future will be loaded with bright lights and sale report-topping statistics.

2406 has already built a following, producing 2 sons by Statesman that are number 1 and number 2 \$C in the breed. Her first son sold to Wilks Ranch in the 2025 bull sale for \$24,000 and her weaned bull calf recently sold as a split pair in the 2026 sale for a \$75,000 value to Smith Livestock. Talk about a female that can get it done on paper and on the hoof.

FF Rita OF99 of 5092 Fireball - Dam of Lots 9A & 9B Embryos

Rita OF99 is a powerfully-made Fireball daughter that is seriously captivating when you analyze the sheer power and elegance she possesses all in one super complete package. She was the 1/2 interest selection of Triple C Farms in the 2025 Gabriel Ranch Production Sale and her daughter was the \$25,000 selection of G3 in the recent 2026 production sale. We feel this is the kind, both on hoof and on paper, that it takes to achieve elite performance cattle.

PEAK Rita K231 - Dam of Lots 10A-10C Embryos

Rita K231 is a massive-made, sweet-uddered, long-spined, deep-sided Clarity daughter that was one of the top-selling spring pairs at \$32,000 to Fecht Ranch in the sale. This is the kind of female that possesses unlimited potential; she is the ideal frame, ideal conformation and, to top it off, she is loaded with elite performance on paper. These matings should do nothing but be money-making progeny.
