Andy Berry - Mississippi Cattlemen's Association

All cattle are tested and free of, or have no carrying ancestry for, AM and NH.

Accommodations:

Eagle Ridge Conference Center and Resort -
Raymond, MS (601) 857-7100

Hilton Garden Inn Jackson/Clinton - Clinton, MS
(601) 460-6116

Insurance: Visit www.insureyourcattle.com, or contact
Jimmy James at 580-481-0955.

Absentee Bids: If you are unable to attend the sale,
online bidding will be available through www.CCI.live or
contact the sale staff to bid over the phone.

Inspection of Cattle: Sale cattle will be available for
your inspection at the sale site from Friday, May 1, 2026,
through the completion of the sale.

Health: All animals are eligible for interstate shipment
and will be accompanied by proper health certificates
for immediate shipment.

Terms and Conditions: Cattle will sell under the
suggested Terms and Conditions of the American
Angus Association ([http://www.angus.org/Pub/
suggested_sale_terms.pdf](http://www.angus.org/Pub/suggested_sale_terms.pdf)).

Announcements: Announcements made at the sale
by the owner or auctioneer will take precedence over
statements in the sale book.

Liability: All persons who attend the sale do so at
their own risk. Neither the owners, association nor
management assumes liability, legal or otherwise, for
any accidents which may occur.

The Mississippi Angus Association and Sims Plus, LLC do
not assume any responsibility for any registered Angus
animal designated as a "Potential Carrier" and sold
through its sponsored sales that have not been tested
by any approved American Angus Association lab.

www.simsplusllc.com

AM EPDs contained in the hard copy of this sale book were current as of print date. Digital versions of this sale book can be viewed online at www.angus.org and will have EPDs updated every Friday with the exception of EPD references in footnotes and photos. Any PDF downloads from the website will contain EPDs current as of the date downloaded. References: American Angus Association®, AHIR®, AngusLink®, CAB®, Pathfinder®.
Parental Avg EPD - Average EPDs between the listed sire and dam. These values are not calculated through the weekly genetic evaluation. The actual EPDs for individual progeny are likely to vary from the expected values listed.

Contracts: The above terms and guarantees shall constitute a contract between the buyer and seller of each animal sold, and no responsibility is accepted by the Sale Manager.

Friends and Fellow Cattlemen,

Welcome to the 44th Annual Mississippi Angus Sale. It is an honor to assist in the marketing of this sale, and I want to thank the Mississippi Angus Association for giving me the opportunity to work with them.

In the 44th edition of the Mississippi Angus Sale, a great group of breeders have come together to offer you superior genetics. This year's sale includes fall pair splits, spring pairs, fall bred females, open heifers and embryos. One highlight in this year's event includes the dispersal of the Cedar Springs Ranch cowherd. The Blakeney Family from Flora, MS has made the tough decision to sell their cowherd in its entirety. They are a 100% spring calving herd, so the cows that calved in January and February will be ready to breed as soon as the sale is over. The 16 open heifers from Cedar Springs are also ready to breed as well.

We hope you can make plans to join us for a weekend filled with fun, fellowship and good cattle. As always, the annual meeting and banquet will be Friday night, May 1st at Hinds Community College in Raymond, Mississippi. The sale will be the following day at the same location. Online bidding will be available through CCI.live. If you have any questions, do not hesitate to call, text or email me.

Sincerely,

Mark C. Sims

Offered by: Golden J Farms, Booneville, MS

Here is a very special offering by Golden J from the Forever Lady family. 2326 is a two-year-old by Baldridge Highlander out of a Ellingson Homestead 6030 daughter. These Forever Ladies are the real deal. 2326 ranks in the top 1% for WW EPD and YW EPD, top 10% for DOC EPD and top 15% for CW EPD. She combines the power of the Ellingson breeding with the performance from the matriarch Baldridge Isabel Y69.

Bred AI on 2/5/2026 to Coleman Elevation 486. Safe AI.

Offered by: Clausel Farms, Corinth, MS

1118 comes from a cow family known for longevity. Her dam, 0101, raised consistently good calves until she retired at age 15. 1118's fall 2025 heifer calf is a stand out and has already made her way to the replacement pen. Her sire, 8230, was a flush brother to 8231 which sold for \$25k in the 2020 Ingram Fall Production Sale. That bull is backed by one of the most consistent cow makers, and donor for Ingram and Voss, SAV Elba 0522.

Bred AI on 12/18/2025 to Quaker Hill Black Bandolier.

Driving the science of better breeding

There's little room for error in the cattle business. You need the most advanced information to make smart selection decisions, and Angus Genetics Inc. (AGI*) provides it through genomically-enhanced expected progeny differences (GE-EPDs).

EPDs that traditionally contained all pedigree, performance and progeny information now also include results from available genomic, or DNA, tests. Breeders who use genomic technology give buyers access to AGI-generated GE-EPDs that provide:

- Increased predictability and decreased risk for young and unproven animals due to enhanced accuracy of EPDs
- Better characterization of genetics for difficult-to-measure performance traits (such as carcass traits, maternal traits and feed efficiency)
- The ability to make more rapid progress for traits that are important to you, due to:
 - more accurate selection
 - easier identification of genetic outliers
 - the ability to propagate young animals with confidence earlier in their lives

In fact, GE-EPDs on unproven animals have the same level of accuracy as if they have recorded 7-33 progeny, depending on the trait. That's valuable insight, offered regularly through the breed's weekly national cattle evaluation at www.angus.org.

How do you know if EPDs are genomically-enhanced?

Ask your breeder, refer to the registration paper, or look for the AGI GE-EPD logo, Angus GS™ powered by Neogen or the HD50K® by Zoetis.
