A really attractive WSC Badger female that has all of the phenotype that cattlemen will love.

*Dear Cattlemen and Cattlewomen,*

*It's with great pleasure that we are a part of the Wall Street Dispersal Sale. This sale has a great selection and diversity that has truly been recognised throughout the country. Knowing that profitability is at the top of everyone's priority-we know that producing a high quality animal is at the forefront and there are top notch pedigrees in this offering to choose from.*

*In the past, there have been many repeat customers that have come back to Wall Street to add more profitable cattle to their operation. This operation has been identified as one of the top operations in the midwest. This is the home of many great cow families and pedigrees that have truly lasted the test of time.*

*Whatever your needs may be to enhance your herd at home, there is absolutely something here for everybody. It's our pleasure to answer any questions or bidding needs at this dispersal sale. Please don't hesitate to call me, Glenn, at 219-776-7584 or Brooke at 219-742-7118. We look forward to seeing you at the farm on May 29th!*

*Sincerely,
