On behalf of the Greene family, I would like to welcome you to the third annual Greenline Angus "Girls of Grace" Online Female Sale on May 14, 2026. Gary, Matt, and the entire family are excited to share this elite offering of dynamic females. This selection of bred heifers, fall pair splits and fall bred cows are the culmination of 30 years in the Angus business, and they are backed by some of the best genetics in the breed.

Greenline Angus started in 1993 with the purchase of four cows from one of the most successful "real world" Angus operations in the south, Black Bull Cattle Company. After years of AI, ET, and a disciplined selection process, they continue to breed a line of slick-haired, easy fleshing cattle that thrive in their hot, humid weather conditions and on their forage-based operation.

The sale format will be "Live Online" through CCI.live. It will begin at 7:00 PM CT and you can bid via your phone or computer through CCI.live. Each lot will be sold one at a time, giving buyers equal opportunity. If you are unable to bid online, contact Gary, Matt or myself and we can handle the bidding for you. As always, if I can be of any assistance or if you have any questions about the offering, feel free to reach out.

Sincerely,

Mark C. Sims
