## Dear Angus Friends and Fellow Cattlemen,

We are proud to welcome you to our Spring Female Sale at **4 Sons Farm in Cynthiana, Kentucky**. Spring marks a time of renewal and forward progress, and we believe this offering reflects exactly that—cattle that represent not only where our program stands today, but where it is headed.

The cattle will be available for viewing prior to the sale and on sale day. We encourage you to arrive early, study the offering, and enjoy the fellowship as we gather for what we believe will be an outstanding event.

As you evaluate this set, you will see a disciplined focus on quality, consistency, and functionality. Our program is built around cattle that are practical in their design yet progressive in their genetic makeup—females that balance phenotype, performance, and maternal strength at a high level. Every mating decision is made with long-term advancement in mind, with the goal of creating cattle that elevate not only our program, but those of our customers as well.

At 4 Sons Farm, we are committed to producing moderate-framed cattle with EPDs to back them up. Through careful selection and continued refinement, we place a strong emphasis on fertility, longevity, and structural integrity—traits that stand the test of time and drive profitability. These females are developed with purpose, built to work, and backed by the kind of consistency that brings confidence with every generation.

This offering is a balanced and thoughtfully assembled group, featuring open and bred heifers along with females that possess the quality and genetic strength to make a lasting impact. They represent generations of selection and a program that is continually pushing forward.

This program at 4 Sons is built by people we are deeply grateful for—Megan, Ray & the entire crew, my boys, and the constant support of my wife. It is their hard work, dedication, and shared belief in what we are building that make this possible. What you see in these cattle is a direct reflection of that commitment, and the future we are working toward together.

Above all, 4 Sons Farm is grounded in family values. We take pride in what we do and in the relationships built along the way. We invite you to join us, evaluate the cattle, and experience the program firsthand.

**At 4 Sons Farm, we are not just raising cattle—we are building a program designed to move yours forward with every generation.**

Sincerely,  
Steve Judy
