FRIENDS AND FELLOW CATTLEMEN,

Welcome to the Georgia's Angus Elite Sale. We are excited to bring Georgia's Angus breeders together for our first state sale in several years. Over the last couple of years, we have worked together to revitalize the Georgia Angus Association. It has been my pleasure to serve as the association's president, and it has been incredible to see the passion of the Angus breeders in the state of Georgia.

It is an exciting time to be in the cattle business. With cattle setting new records nearly every day, there is no better time to invest in elite genetics. With that being said, Angus cattle remain the most sought-after genetics in every facet of the cattle industry. Consignors in this event range from some of the most recognizable brands in the Angus business to new, up-and-coming breeders who are quickly making a name for themselves. This is what the association is all about!

We have plans to continue to add new and exciting things to the Georgia Angus Association. If you are an Angus breeder in Georgia or the surrounding states, we invite you to join our association and our efforts to bring breeders together and to promote the breed within our state. We are here to serve you, so please feel free to reach out to any of the board members with ideas or ways we can assist.

We want to say a special thank you to Woody Folsom and Circle F Farms for hosting our event this year. It would not be possible to pull this off without their exceptional hospitality. We hope you will make plans to join us in Baxley, GA on May 30th!

Sincerely,

Ian McClure

On behalf of the Georgia Angus breeder's, I would like to first and foremost welcome you to the Inaugural Georgia's Angus Elite Female Sale that will take place on Saturday, May 30, 2026 at Circle F Farms in Baxley, GA. On behalf of Georgia's Angus Elite consignors and myself I would like to give a special thank you to Mr. Woody Folsom and all the crew at Circle F Farms hosting and allowing us to have the Georgia's Angus Elite sale at their beautiful sale facility in Baxley, GA.

Georgia's Angus Elite breeders have assembled an elite set of Angus genetics for your appraisal. The Lot 1 in the sale book is a flush on 0F04 the dam of the ever-popular B&B Preeminent. B&B Preeminent sired the \$1,050,000 Lot 1 bull in the Gardiner Angus 11th Annual Meating Demand Sale. Lot 2 is a heifer calf pregnancy sired by B&B Preeminent and will be a maternal sister to ever-popular PEAK Draft Pick. Lot 3, the proven 3302 donor, sells bred to the ever-popular EXAR Bonafide to calve in the fall with a bull calf and embryos will be offered out of her as well. Lots 4 and 5 are unique heifer calf pregnancies that are sired by some of the most unique bulls in the Angus business that include Wilks Crick and GAR Grand Slam. Lots 6-14 are a unique set of 25 fall born heifers offering unique EPD profiles with exceptional phenotype. The Lot 6 leads this division and offers a unique combination of elite calving-ease, performance, and is the #1 \$C individual in the live cattle division. Lots 15-25 are the fall bred heifer division with many carrying service of some of the most popular bulls in the Angus business today. This division of cattle offer a strong set of EPD profiles and are bred carrying service to bulls that will certainly add monetary value to their offspring. Lots 26-31 are the spring bred heifer division and combine phenotype and genotype as well as any division of cattle being offered. Pregnancy status and updates will be available sale day. Lots 32-36 are spring yearling open heifers that have not had any service as of sale time but allow you, the buyer, to breed to the bull of your choice or stick right in the donor pen—that is the type of quality in this division. Lots 37-40 is the spring pair division, although small in numbers yet is high in quality. Spring pairs of this stature are hard to come by. Take advantage of the opportunity, as several could potentially be 3-N-1 pairs. That information will be available sale day. We end the live division with two spring bred cows that are young in age and their pregnancy status will be available sale day. We conclude the offering with a unique set of embryos and rare semen. I would like to also thank Greg Bennett of Katie Colin Angus, as he is donating the proceeds from his embryos and semen being offered to the Georgia Angus Association.

We are in unprecedented times in the Beef Business and even more so the Angus Business as demand from Angus genetics is only increasing. This set of cattle and frozen genetics offered is a set of genetics I feel the buyer will have ample opportunity to improve any herd, and more importantly, be profitable.

Once again, we hope you can join us at Circle F Farms in Baxley, GA for the Inaugural Georgia's Angus Elite Female Sale on Saturday, May 30, 2026. If you can't be with us in person you can view, bid and buy on CCI.live. If you have any question about the sale offering, please feel free to contact me, David Gazda, or any of the breeders listed in the sale book with any questions you may have.

Thank you for your interest in Georgia's Angus Elite Female Sale,
Dustin N. Layton

Georgia's Angus Elite Sale

- Dam of B&B Preeminent, the \$300,000 marbling leader that is a Select Sires Roster member and is featured in the Gardiner Angus Ranch, Hillhouse Angus, FB Genetics, Rocking W Angus, Richardson Cattle Co. and Goode Angus programs.
- 0F04, the proven donor, was the recent Circle F Farms selection in the Peak Genetics Spring Online Embryo sale where she commanded \$82,000 as the top-selling featured Lot 1.
- She is currently the ONLY proven dam in the breed with her combination of CED, YW, MARB, RE, \$W, \$F, \$G, \$B and \$C.
- 0F04 blends the proven carcass, \$B, and \$C leader Fireball with a dam featured in the RC Ranch program, Partner 6528, who is a daughter of the 44 Farms and Angus Hill donor Ingenuity S730 1209 by Partner 3540.
- Progeny from this proven and prolific donor include B&B Preeminent; Transcendent 2T18, the \$120,000 top-selling female of the 2023 National Finals Sale selected by ST Genetics; and PEAK Genetics donors Rita M189 and Rita L154.
- Offered by Circle F Farms, Baxley, GA.

TERMS OF LOT 1 DONOR FLUSH

Seller guarantees six transferrable embryos, with all embryos produced in the flush going to the buyer. This will be an IVF Flush that will be conducted at TransOva Iowa and 0F04 is ready to aspirate now. Buyer will be responsible for supplying semen and for all costs associated with the flush. Buyer will be guaranteed two 90-day pregnancies if transferred by a certified embryologist.

- 5208 is the only non-parent female in the breed with her combination of CED, MARB, REA, SM and SC. She is a beautifully-designed Endeavor daughter out of a first calf heifer sired by Clarity. 5208 excels at calving ease with exceptional maternal, carcass, efficiency and foot scores. This young female is destined to make a name for herself in future production with her combination of elite data and impressive phenotype.
- Ranks in the top 1% for CED, TEAT, \$AXH, \$M and \$C; top 2% for Angle, MARB, \$AXJ, and \$G; top 3% for UDDR, Claw, HS, and \$B.
- **Sells open.**
- Offered by McCracken Farms, Clarkesville, GA.

- N50 is a smooth-made, eye-appealing, and structurally-correct KC Kingston daughter out of our EWA 804 of 3128 Elation donor that is a top producer. Her maternal sister, London Sweet Gypsy Rose 074, was the top-selling open heifer at the Fall of 2023 Soaring Eagle Invitational. 074 scanned an incredible 14.3 Adj %IMF and commanded \$22,000 to 2 Bar C and B&B. Gypsy Rose 074 went on to produce the top-selling bull in 2 Bar C's sale for \$30,000, who is now working at Byergo Angus.
- N50 has 17 EPDs that rank in the top 15% of the breed, and we feel that she has tremendous return on investment opportunity.
- Diamond L Farm is retaining the right to one flush resulting in a minimum of 6 embryos at the buyer's convenience and Diamond L's expense.
- Sells open.**
- Offered by Diamond L Farm, Cornelia, GA.

- Excellent Stapleton daughter with big-time spread from birth-to-yearling with excellent carcass merit predictions.
- K457 is out of the H813 donor and is part of an incredible flush that had 5 full brothers that averaged \$18,000 in the GAR Early Bird Sale, and 5 full sisters that averaged \$15,100 in the Southern Synergy sale.
- Ranks in the top 1% \$AXH and \$AXJ; top 2% for \$F, \$G and \$C; top 3% for REA; top 4% for CED; top 5% for MARB.
- **All bred on 11/28/25 to GAR Alpha. Ultrasound checked safe with a heifer calf due 9/6/26.**
- Offered by Ogeechee Angus, Wadley, GA.

- The Stapleton daughters have been in high demand this spring, and for good reason. They are stout, big bodied and moderate in their design with impressive structural design, and still have the numerical profiles that are in demand—and A164 fits the mold. A164's donor dam HPCA 65 Early Bird 210 is an excellent producer, and her progeny are the right kind that will help earn a return on your investment.
- Ranks in the top 3% for AXH; top 4% for \$G; top 5% for \$C.
- **All bred on 2/13/26 to B&B Preeminent. Ultrasound checked safe, due 11/22/26.**
- Offered by CAM Ranches, Crawford, GA.

- Rita 5082 is a thick-made, deep and wide-bodied female sired by EWA Captain that is structurally correct with added bone and eye-appeal. Her donor dam, Rita 1275, is a proven producer out of the Edisto Pines Farm donor 9584, who is sired by SG Salvation. A full sister to 5082 sold in the Circle G Ranches recent production sale, commanding \$22,000 to Brumfield Angus.
- 5082 offers calving ease with commendable growth and excels at carcass merit and top-tier \$Values.
- Ranks in the top 1% for \$AXH; top 2% for \$F and \$AXJ; top 3% for \$B; top 4% for \$C.
- All bred on 4/20/26 to GAR Diligent.
- Offered by Circle G Ranches, Adel, GA.

- Karama 011 4424 stacks real-world performance with a carcass-oriented genetic profile, offering growth, efficiency, and added value on the rail. The Karama cow family is known for fertility, carcass, and structural integrity; but her advantage is the combination of performance, muscle, and end-product merit that will move a program forward.
- She is the only non-parent female in the breed with her combination of CED, WW, YW, RADG, HS, SM, SF, SB and SC.
- Individually, Karama 4424 is an eye-appealing female with excellent depth of body, structural correctness, and added femininity.
- Ranks in the top 1% for RADG, HS, \$AXH, \$AXJ, \$F, \$B, and \$C; top 2% for CED and CW; top 3% for \$W; top 4% for YW; top 5% for WW and \$G.

- Quanah A109 is performance-driven donor female that stacks serious carcass traits and merit combined with exceptional maternal strength. With her numerical profile and fault-free, phenotypically-pleasing design, she's the kind of female that is built to push a progressive program forward.
- Ranks in the top 1% for CEM, REA, \$AXI, \$G, \$B and \$C; top 2% for CW, MARB, FAT, \$AXH and Angle; top 3% for WW; top 4% for YW and \$W; top 5% for \$F.
- PE from 4/11/26 to 5/28/26 to GAR Alpha.
- Offered by Cross B&B Farms, Baxley, GA.
