# FIRST & FOREMOST,

It's hard to believe that it's that time of year again, but here we are. Blessed beyond measure with undeserving grace to get the opportunity to host the 6th annual REVIVAL bred heifer and cow sale, God is so good!!!

If you are taking the time to read this, I'd like to extend a sincere THANK YOU from the entire REVIVAL team for your considerations and interest in this offering.

I know it sounds like a broken record when this statement is made but this is by far the best set of bred heifers we have ever offered so I encourage each and everyone of you to consider making the trip to Wichita Falls. However, if you cannot make the trip, please reach out to any of our sales consultants or team members to help with any questions you may have.

We are truly the most excited about this year's offering than we ever have been because of how confident we are in the success they will have in their new operations.

We've put our best efforts to making sure these females are ready to go to work for you and transition to their new locations with ease. Proper care, vaccinations, worming, etc. have been implemented just as we do in our own herds.

We hope that you can see the efforts we have made to bring you the absolute best that we have, and we want you to truly understand that we desire to see you succeed and share those successes with each of you.

We hope to see each of you on sale day - June 6th.

If you've never been able to attend our event and be a part of our fellowship and get to know the REVIVAL team, we would like to invite you to do so by joining us Friday evening, June 5th, for our Friday night REVIVAL!!

We will begin serving food around 5:30 PM and then our REVIVAL begins around 7:00. If you were able to make it last year, we are confident we will see you again!!!! What a blessing it was to join together in praising King Jesus and receiving an encouraging word from our brother Cole Hattfeild.

We look forward to being able to do this again and hope you will be able to attend both REVIVAL events.

*Adam Potts*

OFFERED BY:

AMAZING GRACE X HL/CCC 582 PUMP DADDY

Hold on to your hats folks, this year's REVIVAL is going to be one for the books!!!! By far the deepest set of bred heifers this team has ever assembled and what a way to start off with none other than a pair of sisters from Cromwell Cattle Company!!!

Triple Clean HL Amazing Grace X 582's. 582 has been no stranger to the game with a win right off the starting block of her career, producing the champion Black Cross in San Antonio 2021, sired by Good Business 419, for Kaden Mason, she also had a 2nd place middle weight Limi at Houston recently after her San Antonio win and since then has been a top producer of a multitude of high-selling Exotics and Americans for CCC. No matter you choice of lot 1 or 2 you can't go wrong. Safe in calf to QB's Marshal Mathers and we are confident in success right from the start with either of these females.

1 OAK **X** 1157 (SG / HOODOO)

If you've followed the CCS operation for long, you know just how our cornerstone female, 1157, has continually blessed us. Boldly speaking- this is our favorite 1157 daughter to date. Three is the wide-muzzled-fast grazin' kind that takes care of herself. She's got an ultra-cool yet undeniably cowy look and build from there back. If we could paint an ideal donor, this one's color and outline is what we're putting on that canvas. Her feet and legs are big, flexible, and built to last. These 1157 daughters have generated progeny that profit in several programs across different states. Whether you're building from the ground up or adding to your proven donor pen, this female is the kind that can take your operation to the next level.

Bred to **Kickback** Due to Calve in October

NOT FOR SALE (MAB SON) **X** 140 (BDR / HW / IVORY ANGEL)

A 140 daughter from the Jeff's program that is a standout within this group. Tracing back to the great Ivory Angel donor, who is no stranger to the industry. TH free and beautifully colored to go along with her impeccable build will be a recipe for a major success story. Not For Sale has produced some extremely decorated donors in the industry including the famous " Lil Red" donor of RJ and Heckmans. Mark this one down and don't Back up.

Here's a shorthorn marked female that draws you in. Sired by HL Lovin 750 and out of a past REVIVAL featured donor cow lot, this female will be on a fast track to creating success for her new owner. This one's Bearcat x 409 dam was a big-time producer while in production for Miller and is carrying on that successful production for Gary Johnson. The generating genetics are in her DNA.

**QB NUMCHUCKS X 1606 ( UNSTOPPABLE / WANG CHUNG )**

Sometimes you make decisions that make you look like a genius, and sometimes those decisions truly show your stupidity. In this case, I've accomplished both. The genius idea to have some pairs in this sale with Solid Made sired calves on their side to help promote the bull and encourage the buyers on the lots that are bred to him, the absolutely stupid idea is to sell this female that is not only a future donor herself but most likely has the real donor on her side. Take advantage of the generosity here; this is a truly special pair that will skyrocket you into raising champion caliber American show steers and future donor cows. The last of 1606's legacy.
