VIEW & BID ONLINE:

TERMS & CONDITIONS:

Cattle will sell under the suggested Terms and Conditions of the American Angus Association (http://www.angus.org/Pub/suggested_sale_terms.pdf).

FEEDING & SHOWING TERMS:

Each animal that will be located at the Seldom Rest Show barn will be charged \$20/day. Each animal will be charged \$200 /day while attending shows with the Seldom Rest crew. This will help cover expenses while at shows. All animals must be insured while in our care/possession. Any veterinary expense above routine will be owner's obligation.

All accounts will be billed monthly.

FLUSHES & DNA:

Seldom Rest Farms reserves one flush of eight or more grade 1 or 2 embryos at our expense on all females selling. We also retain, at our expense, the opportunity to obtain a DNA cell line for cloning purposes on all cattle selling in this sale. All cattle will sell under the following terms of fertility. Females are guaranteed to breed or produce transferable IVF embryos. If the female is evaluated by a licensed vet and is considered obese, breeding guarantee is voided. Or in the case of death or injury occurring after purchase guarantee is voided. If there is a problem Seldom Rest Farms will request that the animal is returned to us for a period of up to 12 months in an attempt to breed the animal or successfully IVF the animal. Open heifers that have been transplanted are not guaranteed. In the event that an animal will not settle or produce IVF embryos with the efforts of the buyer and seller, a sale credit in the amount of the purchase price will be issued to the buyer that can be used at any time.

HERD HEALTH:

All cattle will be accompanied by proper health certificates for immediate shipment.

TRUCKING:

Truckers believed to be reliable will be available to assist you in shipping your purchases.

INSURANCE:

Ben Ballou • B Flat Insurance Agency, LLC • 615-633-2131

FOOD & REFRESHMENTS:

Dinner will be served at 5 P.M.

EPDs current as of August 8, 2026.
Updated EPDs can be viewed online at

Welcome to the Seldom Rest Production Sale!

Thank you for your interest in this year's offering and for taking the time to study our program. Whether you're a longtime customer or joining us for the first time, we sincerely appreciate your support and the confidence you've placed in our cattle over the years.

One change you'll notice this year is that we've moved our sale date earlier into September. We believe this adjustment will allow us to better serve our customers by providing more flexibility and a smoother transition for the cattle as they head to their new homes. As always, our goal is to make the buying experience as enjoyable and successful as possible.

We've been fortunate to enjoy another successful year in the show ring, but we know those accomplishments are never the result of one person. They are a reflection of an incredible team effort, and we simply couldn't do it without the support of our family, friends, crew, and loyal customers. We are especially grateful to Chance Myers and Jon Stelter, whose dedication, work ethic, and attention to detail help our operation perform at its very best every single day. Their commitment to these cattle and to our program does not go unnoticed, and we are thankful to have them on our team.

As you turn the pages of this catalog, you'll see the result of years of breeding decisions focused on building productive cow families that stand the test of time. We believe this offering represents the depth, consistency, and quality that have become the foundation of the Seldom Rest program. From exciting show heifer prospects to proven bred females, our goal has always been to produce cattle that can compete at the highest level while making a lasting impact in production.

Most importantly, thank you. Your friendship, trust, and support mean more to our family than we can express. We are humbled each time you choose to invest in our genetics, and we never take that responsibility for granted.

We look forward to welcoming you to Niles, visiting with old friends, making new ones, and sharing another great sale day with you.

See you in September!

Andrew Foster

• Kicking off the offering is a female that checks all the boxes. This Paisley daughter is bold-bodied, smooth-made, and square hipped with the maternal design to become a productive donor female. Her dam, Seldom Rest Sandy 9080, was selected Reserve Grand Champion ROV Angus Heifer at the 2020 North American International Livestock Exposition, adding proven show-ring excellence to an already impressive pedigree. Whether your goal is banners or building elite cow families, Lot 1 offers the phenotype, pedigree, and long-term value to make a lasting impact.

• Leading off the April division comes another impressive daughter of Seldom Rest Sandy 9080. This high-quality female combines balance, eye appeal, and exceptional structural correctness with the kind of presence needed to compete at the highest levels. Her dam was selected Grand Champion Cow-Calf Pair at the 2021 National Junior Angus Show, confirming the strength and consistency of this proven cow family.

• One of the first daughters of M C Caesar 3109, the 2026 ROV Show Bull of the Year, to be offered at auction, Lot 3 represents the exciting future of a sire we believe is poised to produce elite show heifer prospects. Backed by proven genetics, this daughter of Seldom Rest Sandy 9080, the 2020–2021 ROV Show Heifer of the Year, is long-bodied, beautiful fronted, and level hiped with a massive yet functional hind leg. 6150 uniquely combines power with structural correctness while maintaining the balance and eye appeal demanded in the ring. We believe this one has the pieces to find her way to the backdrop!

• Don't let her age fool you—although she's the youngest heifer in the offering, this fancy May prospect holds her own against her older contemporaries. Sired by KR Casino 6243 and out of the Clarkboys and Seldom Rest featured donor, Sandy 9080, Lot 4 is a full sister to Seldom Rest Cassandra 3009, the 2024 National Junior Angus Show Grand Champion Owned Heifer for Mercedes Ferree, whose influence is strongly represented throughout Lots 5–9. Like her standout sister, 6200 is powerfully made, bold ribbed, and elegant in her design while maintaining tremendous structural integrity and balance. We believe this young female has an incredibly bright future, and we can't wait to see where her journey takes her.

A black cow stands in profile in a grassy field. The cow has a white tag on its ear with the number '01'. The background shows a wooden fence and some trees. A small signature 'Kegler' is visible in the lower center of the image.

-----------------------	--	---

• The influence of Seldom Rest Cassandra 3009 starts right here. As a daughter of the 2024 National Junior Angus Show Grand Champion Owned Heifer for Mercedes Ferree, Lot 5 represents the first opportunity to own genetics from a female we have tremendous confidence in. This end-of-February heifer is massive ribbed, deep centered, and beautifully extended through her front end, combining the kind of dimension and look that catches your attention the moment she steps into the ring. We believe she's just the beginning of what this young cow family has to offer.

6

A black and white photograph of a black cow standing in a grassy field. The cow is facing right and has a white tag on its ear with the number '01'. A small signature 'K. Smith' is visible in the lower left corner of the image.

• This one has been Dad's favorite from the day she was born, and it's easy to see why. Sired by BNWZ Paisley 2143 and out of the 2024 National Junior Angus Show Grand Champion Owned Heifer, Seldom Rest Cassandra 3009, Lot 7 offers a big-time look with added length, impressive features, and exceptional ring presence. She combines style and substance in a way that's hard to replicate, and every time you study her, she just keeps getting better. We truly believe this is the kind of female that has the potential to make plenty of trips to the backdrop.

• The Cassandra cow family continues to impress, and Lot 10 is no exception. This daughter of Seldom Rest Cassandra 9060, the Reserve Grand Champion Angus Female at the 2020 American Royal ROV Show, is a full sister in blood to Lots 7-9 and a full sister to the featured Lot 1 heifer calf in the 2025 Seldom Rest Production Sale that commanded \$100,000 when the gavel fell. Big-ribbed, big-boned, and loose structured, 6048 offers the kind of maternal look without sacrificing the style and presence today's show ring demands. With proven genetics on both sides of her pedigree, we believe she has all the pieces to carry on the success of this remarkable cow family.

• If you're searching for one with the credentials, phenotype, and proven pedigree to compete on the biggest stages, Lot 11 deserves your full attention. A daughter of Seldom Rest Sandy 5086, the 2016 North American ROV Angus Show Grand Champion Heifer, this February sale feature is a full sister to Seldom Rest Sandy 2030, the Supreme Champion Female of the 2024 Cattleman's Congress for the Dameron Family. Like her standout sister, 6034 combines exceptional balance, a smooth, feminine design, and tremendous structural integrity with the kind of presence that captures your attention the moment you step into her pen. Here is an exceptional prospect backed by proven genetics and built to make big things happen. Be sure to study this one closely on sale day!

• Powerhouse is the best way to describe Lot 14. She combines added bone, tremendous flexibility, and a commanding presence that automatically grabs your attention the moment you see her. Another daughter of Seldom Rest Sandy 2030, the many-time champion who is quickly making her mark as a valuable donor in the Seldom Rest and Dameron programs, this female is backed by a pedigree that's proving itself in a big way. A full sister to Lots 13 and 14 was selected Grand Champion Bred-and-Owned Heifer and Supreme Champion Bred-and-Owned at the 2026 National Junior Angus Show, adding yet another chapter to the success of this remarkable cow family. We believe Lot 14 has all the pieces to continue that tradition.

• A full sister to Lot 15, this female offers the same exciting pedigree with a unique look all her own. The bigger-footed, stouter-featured sister of the pair, she carries the same high-quality look that made her dam so successful. Elegant in her design with the presence to command attention, Lot 16 has the kind of style and quality that makes you excited about her future both in the show ring and in the donor pen.

• A maternal sister to Lots 15 and 16, Lot 17 is further proof that M C Caesar 3109 and Seldom Rest Sandy 3007 are a tremendous combination. Caesar did an outstanding job complementing 3007, and this April prospect is a perfect example of why we're so excited about this mating. Powerfully made with an extremely high-quality look, she combines genuine substance with a fault-free skeletal design that allows her to move with ease and confidence. If you're in the market for high end show prospects, this one is worth the trip to Niles to check out.

• The influence of Seldom Rest Sandy 7046 continues to grow, and Lot 18 is another example of why this donor has been so successful. Campaigned by Seldom Rest and QW Livestock, 7046 was the Grand Champion Female at the 2018 American Royal ROV Angus Show, the 2019 National Western Junior Angus Show, and the 2019 San Antonio Stock Show. She also produced Sandy Jo 2123, the 2024 National Western Stock Show ROV Grand Champion Angus Female, whose influence continues in Lots 19–21. Ultra-complete, sound structured, and carrying a beautiful silhouette, 6104 is the kind of female that gets better every time you study her. We think you'll like this one as much in person as we do.

• Lot 19 has consistently been a standout among this year's sale offering and is one we find ourselves coming back to time and time again. A full sister to the 2026 Spring Sale feature, Seldom Rest Blackjack 507N, who sold one-half interest for \$40,000 to Nowatzke Cattle and the Lettinga Family, she stems from a mating that's already proving its worth. Blackjack went on to earn Reserve Grand Champion Bull honors in both the Open and Junior Shows at the 2026 Atlantic National, adding even more credibility to this exciting pedigree. Stout featured, smooth made, and loaded with balance and style, 6157 is the kind of female that's hard to walk away from once you've studied her.

A black cow, likely a Jersey or similar breed, is shown in profile, standing in a lush green field. The cow has a dark coat and a prominent hump. An inset image in the bottom right corner provides a close-up view of the cow's head and neck, highlighting its features. The background is a blurred green field with a fence line visible in the distance.

Seldom Rest Sandy Jo 6195 /
Lot21

A black cow standing in a green field. The cow is facing right, and its shadow is cast on the grass. The background is a blurred green field with some trees and a fence in the distance.

• Lot 23 represents the next generation of Seldom Rest Sandy 2078, and we couldn't be more excited about her future. As the first ET calf out of 2078, 6064 marks the beginning of what we believe will be a very exciting chapter for this young donor. Wide based with exceptional skeletal quality, she combines a balanced look, straight lines, and a massive rib shape into one complete package. We look forward to seeing what this cow family continues to produce, and we think this one is a great place to start.

• An October yearling that certainly offers a lot of quality, Lot 25 is the kind that blends style with genuine power. Chiseled in her design with a beautiful front end, she transitions into a powerful hip and an impressive hind leg while maintaining the balance and presence that make elite females stand out. Another daughter of Seldom Rest Sandy 1141, this time backed by King Pin, she continues the consistency and quality we've come to expect from this cow family. We think you'll appreciate just how complete she is when you see her in person.

A black and white photograph of a black cow standing in a grassy field, facing right. The cow is shown in profile, highlighting its muscular build and dark coat. The background features a wooden fence and a building.

- We are incredibly excited about what 3040 has the potential to do in production. She is an outstanding example of genomic excellence paired with exceptional phenotype and backed by some of the most proven cow families in the Seldom Rest program. As the calf at side of Seldom Rest Bardot 1030 when she was selected Supreme Champion at the 2023 Oklahoma Youth Expo, 3040 has been part of a winning story from the very beginning. She is also a maternal sister to Seldom Rest Diva Bardot 4048, the Grand Champion Female of the 2025 National Western Junior Angus Show, further validating the strength of this remarkable cow family. Bred to the 2026 National Junior Angus Show Reserve Grand Champion Bull, Ferree Fitz SRF Polaris 5092, this mating brings together two of the most influential cow families in the Seldom Rest program. We believe the future is exceptionally bright for this young female and the calf she is carrying.
- Bred to calve 04/04/27 to Ferree Fitz SRF Polaris 5092. Examined Safe

• Lot 37 is backed by a pedigree that's already making a tremendous impact. As a full sister to Seldom Rest Cassandra 3009, the 2024 National Junior Angus Show Grand Champion Owned Heifer and donor dam of Lots 5-9 in this sale, 55N carries the same proven genetic foundation that has made this cow family so successful. Powerfully designed with tremendous substance and bone, she still maintains the balance and completeness that have become trademarks of this family. Opportunities to own females with this kind of proven genetic influence don't come around often, and we believe she'll be a valuable asset to any progressive breeding program.

• Bred to calve 02/21/27 to Seldom Rest Battle Cry 4011. Examined Safe

• A daughter of Seldom Rest Sandy 3007, the 2025 National Western ROV Angus Show Grand Champion Female, Lot 40 is another female with a bright future. Sired by Boyd Prominent 1043, she is moderate framed with tremendous body volume and exceptional structural quality. Bred to Bold Ruler, this mating is one we're especially excited about. Last fall, I had the opportunity to study the Bold Ruler daughters at Wilks', and I came away impressed with their consistency, quality, and functionality. After seeing those females in person, I couldn't wait to use him in our own program, and I truly believe this mating has the potential to be something special.

- If you're searching for a future donor, Lot 44 deserves a hard look. Overwhelming in her style and balance while still carrying the big pieces, she is long fronted, big ribbed, huge legged, and soft structured—the kind of combination that's difficult to find. From a genetic standpoint, 12N is backed by one of the most prolific cow families in the Seldom Rest and Schnoor programs, Bardot 890, the Supreme Champion of the 2015 Atlantic National (Junior and Open Shows), Reserve Grand Champion of the 2015 NAILE ROV Angus Show, and Grand Champion Cow-Calf Pair at the 2016 National Junior Angus Show. Even more impressive than her own accomplishments is 890's production record, which includes numerous national champions and featured sale cattle. Bred to Ferree Fitz SRF Polaris 5092, this mating is one we're especially excited about, and we can't wait to see what her first calf will look like.

Dear Angus Breeders,

The 2026 Seldom Rest Farms Female Sale starts a new era, September 11, 2026 is the date for this year's sale. This sale will again feature some of the best females ever produced in this historic program. The level of competition in the show ring is as high as it has ever been and Seldom Rest Farms continues to be at the top. They have had huge success from state, local to national shows and we are excited to have you attend this year's sale.

The Foster family built Seldom Rest Farms. This diverse farming operation from cattle to crops has been in business for many generations. Scott, Bruce and Andrew Foster have built a special program and it is always exciting to see what they are selling. Each year Seldom Rest hosts one of the best female sales in the country and it's a tribute to what this family is about and how they take care of their customers. People enjoy doing business with the Foster's and we hope you analyze this offering and see the constancy in this set of heifers.

Becoming Lot 1 at a prestigious sale like this is impressive and this year's female, Seldom Rest Sandy 6059 is elite. This February daughter of BNWZ Paisley 2143 out of the great cow, Seldom Rest Sandy 9080, will truly be a feature. Her design, eye appeal and elegance is elite, she will withstand strong competition.

Daughters of many past national champions will be offered. The impressive part of this sale is the depth. Age groups that can compete at all levels is what their program is about and the 2026 calf crop is deep. Bred heifers will also be sold, giving buyers a chance to breed their own champion from the cow lines that have been dominate at Seldom Rest Farms.

This a special sale for us. The Foster's have been long time family friends that we feel very connected too. Scott helped our family as we grew up in the business and to see Andrew and Emily bring up their girls in this industry is exciting to see. They care about all the families that invest in their program and we can promise you will have a great experience with the Fosters.

Please feel free to contacts with any questions you may have. We have seen the cattle and can help with any questions you may have. Please notice the new sale date this year and we are excited to see you in Niles, Michigan September 11, 2026.
