Foundation Female Sale

4 PM AT THE RANCH BAKERSFIELD, CALIFORNIA

24747 SULLIVAN RD., BAKERSFIELD, CA 93314

Welcome

Welcome to the inaugural Bar KJ Angus Foundation Female Sale.

For years, our focus has been on building a strong foundation—one female at a time. Every breeding decision, every replacement heifer we've kept, and every cow we've culled has been made with the same goal in mind: building a cow herd that will stand the test of time. While we've shared our genetics through our annual bull sale, this is the first real opportunity we've had to offer the females that have helped build the heart of our program. We are excited to share this next chapter of Bar KJ Angus with you.

At Bar KJ, our breeding philosophy is simple. We believe great cow families are the foundation of every successful herd. Our seedstock program is strengthened by our commercial operation, Rancheria Land & Livestock, where the same genetics are expected to perform under practical ranch conditions. Watching those cattle work year after year continues to shape the breeding decisions we make today. Our goal is to raise functional, eye-appealing cattle with the maternal strength to remain productive for years to come. The females in this offering represent generations of proven cow families that have earned their place through consistent performance.

Bar KJ has never been about one person. It has always been about people working together with a shared commitment to raising good cattle the right way. Every member of our crew plays an important role, whether they're caring for cows and calves, feeding, breeding, collecting data, taking photographs, preparing cattle for sale, or handling the countless jobs that happen behind the scenes. Their dedication, pride, and attention to detail are reflected in this offering, and we are incredibly grateful for each of them. Simply put, this sale wouldn't be possible without their hard work and commitment.

Most importantly, thank you for taking the time to look through our inaugural Foundation Female Sale offering. Whether you've followed our program for years or are just getting to know Bar KJ Angus, we truly appreciate your interest. We know there are many outstanding programs to choose from, and we're grateful you've chosen to spend your time considering ours.

We look forward to welcoming you to the ranch in Bakersfield on October 8. We invite you to spend time with us, study the cattle, ask questions, and enjoy the day. There is no greater compliment than seeing Bar KJ genetics go to work in someone else's program. We don't take that responsibility lightly, and it is a privilege to offer females that have helped shape our program. We hope they'll become an important part of yours.

Thank you for your friendship, your support, and for giving us the opportunity to earn your business.

- What a way to lead off the 2026 Bar KJ Foundation Female Sale with this stunning Gettysburg daughter out of the prolific donor, Forever Lady 1251. This balanced-trait bred heifer is the only non-parent Gettysburg daughter with her combination of CED, BW, PAP, CW, RE, and \$M. Like her proven donor dam, she has the potential to raise powerful bulls and beautiful females. Her donor dam, Forever Lady 1251, was Bar KJ's \$85,000 selection in the 2022 Vintage Angus Female Sale, where she sold as a featured heifer calf. Her granddam was Edisto Pines' \$20,000 selection in that same event. The calf she carries will be among the first Wilks Achiever progeny to arrive, offering exciting possibilities.

• Lady 5056 is a direct daughter of EZAR Gettysburg 1061, the \$170,000 featured herd sire for Blackstone Cattle Company, and the outcross donor Forever Lady 1251. She is the only non-parent Gettysburg daughter in the breed with her combination of CED, BW, CW, MARB, and RE. With the potential to produce low-birthweight herd sires that still deliver growth and carcass merit, Lady 5056 should help Gettysburg daughters continue to headline the early fall 2026 sales. Her donor dam, Forever Lady 1251, was Bar KJ's \$85,000 selection in the 2022 Vintage Angus Female Sale, where she sold as a featured heifer calf. Her granddam was Edisto Pines' \$20,000 selection in that same event. Her mating to Dominion, a popular Grimmus Cattle Co. roster member, should make for an exciting calf to watch.

• This is an opportunity to access some of the newest genetics in the marketplace. EXAR Anticipation was the \$800,000-valued selection of Edisto Pines and Circle F Farms in the 2025 Express Ranches Big Event Sale. His dam, Forever Lady 9204, is best known as the dam of True Balance and is earning a reputation as a true herd-bull maker. Vintage Forever Lady 1251 is an outcross, phenotype standout sired by Linz Exemplify 71124 and known for producing highly functional, high-performing females. This powerful donor traces to the legendary Forever Lady 57D, a cornerstone Angus cow whose influence is firmly established among the breed's greats. Forever Lady 8125, the dam of Forever Lady 1251, was the \$20,000 selection of Edisto Pines in the 2021 Vintage Angus Female Sale.

• Due 2/14/2027 in a commercial recip.

• Forever Lady 4041 is a hard-working first-calf heifer sired by long-time Grimmus roster member, SG Salvation, and out of the powerful Exemplify donor Forever Lady 1251. This future donor offers broad mating flexibility, with no Clarity, Home Town, or Fireball in her pedigree. A multi-trait standout, Forever Lady 4041 excels for SC, HP, CEM, DOC, foot scores, CW, MARB, and RE, combining to push her over +100 for \$M and +400 for \$C. Her donor dam, Forever Lady 1251, was Bar KJ's \$85,000 selection in the 2022 Vintage Angus Female Sale, where she sold as a featured heifer calf. Her granddam was Edisto Pines' \$20,000 selection in that same event.

• **Sells open ready to breed or flush.**

• Ranks in the top 2% for \$M and \$C; top 10% for \$B, CW, DOC and Claw; top 20% for \$EN and RE; top 25% for CEM, HP and RADG.

•Offering a pregnancy sired by Southern Rock, a Select Sires roster member and leading herd sire for Deer Valley and Circle F Farms, out of Bar KJ's newly acquired lead donor, Vintage Blackcap 1084. Best known as the dam of VAR Landman, Blackcap 1084 produced Landman as her first natural calf; he was the \$290,000 second high-selling bull in the 2025 Vintage Angus Bull Sale, selected by Grimmus Cattle Co., where he is becoming a leading phenotype sire. Blackcap 1084 is a direct daughter of the late Blackcap 9319, whose progeny sales exceeded \$3 million at Vintage Angus. Maternal sisters include Blackcap 2057, the \$170,000 selection of AAA Farms in 2022; Blackcap 3098, the \$160,000 selection of English Oaks in 2023; and Vintage Blackcap 5142, the \$220,000-valued donor for Edisto Pines and Spruce Mountain. This prolific cow family carries proven power throughout its pedigree.

From the Sale Manager

Welcome, Angus Cattle Enthusiasts,

It is an honor and a privilege to be part of Bar KJ's Inaugural Foundation Female Sale. I hope you can join us in Bakersfield, California, on October 8 for their first live cattle offering. The trip west will be well worth it. While the Bar KJ name may be new to some, the family has been ranching in California for many years and operates one of the state's most successful commercial cattle programs, Rancheria Land & Livestock. Their commercial cattle focus has shaped the kind of registered females they breed and are offering in this Foundation Female Sale.

Evaluating this offering in its native environment was refreshing. These females run much like the commercial cow herd—expected to survive and thrive without the pampering common in many purebred operations. Thanks to Bar KJ's patience and forward thinking, this offering has something for nearly every Angus breeder. Whether you are seeking cattle with strong \$M values, proven carcass traits, or standout phenotype, each class of cattle offers meaningful opportunities.

I would personally like to thank every member of the Bar KJ team for the opportunity to help manage and market this first Foundation Female Sale. I look forward to seeing everyone on October 8 in Bakersfield, California. If you cannot attend, please do not hesitate to call or reach out with questions about this exciting offering of Foundation Females—cattle that can make a lasting impact on your breeding program.

Thanks again, and I look forward to seeing you soon.
