CATTLE MAY BE VIEWED AT THE FARM AT YOUR CONVENIENCE

Welcome Friends!

BILL AND NANCY RUDOW & FAMILY

Welcome to our "Regret Free" Female Sale. Thank you for your time spent looking over the offering.

Our goal remains the same. Keep it simple. Produce cattle that are sound. They must have good feet and udders, be forage efficient and have natural power, depth of body and raise a marketable calf. Cattle that will perform in the real world and look good in the pasture while they're doing it. Cattle that will last!

Raising cattle is our passion and it is our livelihood.

You'll notice that once again, along with our Angus based females, the offering includes a set of commercials. Our friend, Stan Comer of Classic Genetics brought us another set of his fancy breds this year. Thank you for your continued support Stan!

If you are new to our program, we look forward to meeting you and talking cattle. To our current cattle friends, we hope to see you again in Pana, IL on November 21.

It's a great time to be in the cattle business!

Warm Regards,
Bill & Nancy Rudow

Rudow's Blacksmith 669

Rudow's Blacksmith 365
Daughter of 669
Sold as Lot 1 in our 2025 Female Sale

Rudow's Blacksmith 43
Daughter of 669
Sold as Lot 1 in our 2024 Female Sale

Rudow's Blacksmith 36
Daughter of 669
Sold as Lot 2 in our 2023 Female Sale

Rudow's Blacksmith 669, as well as her sister 460, are a pair of OCC Zenith 620Z daughters that have made a major impact on the herd at Rudow Family Cattle. 669's daughters have now led off the fall female sales at Rudow Family Cattle for 3 years running. Rudow's Queen 460, a flush sister to 669 was the lead off female in the 2023 sale selling to Classic Genetics in Oklahoma commanding $18,000. A flush sells as Lot 2 as well as 4 daughters to 460. Rudow's High Country 029 was sold to Hanson Land & Livestock and we leased him back and 2 of his daughters sell. High Country is a maternal brother to 669 and 460 as well. The influence of the Rudow's Edition 820 cow run deep in this offering and we look forward to sharing in the success they will provide your breeding program.

What a special individual!!! Rudow's Blacksmith 590 is one of the most impressive females to ever grace the pastures at Rudow Family Cattle. Lot 1 has caused a bit of controversy at the kitchen table because we can't believe we are parting with her. We believe this one will be an ELITE producer in her future. She just looks like a donor cow already. Blair's External Law is a bull we chose to flush our donors to because of his maternal backing. Bar-E-L Erica 74A is one of the most influential Angus cows in the breed and when we blend her with 669 it makes a magical mating. Think of the maternal influences this female carries in her pedigree. SHE IS SPECIAL!

Heifers sell open.

This pair of 669 Fall ET heifers are sired by All Due Respect. We sampled All Due Respect by flushing one of our best donors, 669, to him and boy are we glad we did. All Due Respect stacks breed leading show genetics like Dignity and Proven Queen and we blended it with our "Old School" approach with OCC Zenith and New Edition. These heifers will not only show, but have all the basic fundamentals of being top notch cows when they take the show halter off for the last time.

Open Heifers

Lot 1C

Rudow's Blacksmith 669
Dam of Lots 1A, 1B, 1C, 1D

Lot 1D

Lots 1C & 1D are the Spring ET 669 heifers sired by All Due Respect. These 2 really have a stylish look and presence and combine breed leading genetics like Insight, Sara's Dream, Style, Proven Queen. 669 can breed show heifers but, more importantly, produces cows time and time again. We only pick out a handful of these open heifers to sell as opens for juniors to either show or pick out a year early to breed them how they wish the first time. Here is your chance to get in on the ground floor of 669 genetics.

Rudow's Queen 460 is easily one of the most influential females to ever graze the pastures at Rudow Family Cattle. In her lifetime, she has passed the $160,000 mark in calves sold. In the section to follow you will see 4 more bred heifers that will be headlining this year's sale as well.

In 2023, Classic Genetics in Oklahoma purchased 460 for $18,000 and they are offering a chance to either IVF or Conventional flush 460. She is open and ready to go to the bull of the buyer's choice. ***Guaranteeing 6 transferable embryos with a cap of 12. If more than 12 embryos are produced, the buyer and seller will split the additional embryos 50/50, and the seller will pay pro-rated flush expenses.***

Service Sire of Lot 2A

HOLY SMOKES.....Welcome to the BIG TIME!!! The true test of any great cow family is the production record. After looking at Lot 1 and her mother 669, as well as Lot 2, 460 who are flush sisters, we realize that these cows are major influencers in our program. Lot 2A and her full sisters to follow are exceptional breeding tools. Lot 2A looks so much like her mother she even got the same ID as her breed leading dam. When looking for an outside bull to use we found Young Dale Honour 16H a Canadian outcross bull and went for it. Lot 2A is an absolute "Tank." She is so unique in her build. Stout, soft centered and sleek necked with an elegant presence.

Lot 3 headlines the Rudow's High Country 029 lots selling in the sale. We leased 029 back from Hanson Land & Cattle after they purchased him as a featured bull in 2022. As you have paged through the catalog to this point every animal traces back to the influence of Rudow's Edition 820. High Country also is a direct son to 820. When we breed cattle we stack cow families and Rudow's High Country 029 stacks 2 maternal greats with Juanada 927K and Rudow's 820.

Rudow's Miss Blackbird 64 is an absolute powerhouse female. Big features including her big foot, huge bone and powerful ribcage. The bottom side of Lot 3's pedigree reads very maternal combining the Dixie Erica cow family and SAV Traveler 004.

Rudow's Lady Arbitrator 127

WHOA!!! What is that powerful beast? This External Law heifer is an absolute smoke show. We went all in on 923, the Rudow's Deplorable 60 daughter, that again combines 2 major cow families we have utilized here in the Rudow Family Cattle program. Not only did we blend our 2 mainstay OCC bulls Zenith and You Bet but 2 of our major cow families were blended making 923 and that is CRCC Reyna 0566 and the Empress Cow family that was started with E&B Empress Pride 142.

Lot 5's pedigree is absolutely stacked when you add the maternal blend of Blair's External Law and his breed leading maternal backing Bar-E-L Erica 74A. Here is your chance to buy a future donor and put you in the driver's seat for years to come.

Lot 6 is special. This April heifer calf is the first of the SCC Kingsman 233 calves we are offering. Kingman is a full sib to the breed leading bull Good Times. 68 is one cool looking, stylish female that is so unique in the way her neck ties out the top side of her shoulder, and she is so striking from the side. When you step to that 3/4 view, you realize how much power and punch she brings to the table. This heifer has all of the tools to become a major contender in the show ring and become a big time generator in the years to come.

SCC SCH 24 Karat 838
Paternal Grandsire of Lot 7

CRCC Reyna 0566
Maternal Granddam of Lot 7

Rudow's Reyna 47
Maternal Sister to Lot 7

Lot 7 is another Kingsman daughter that has that same look we have come to expect from a pedigree with 24 Karat and Phyllis backing her up. But what I want to point out is the bottom side of this heifer's pedigree. Not only do you see OCC Joker, but the influence of one of our most prolific cow families CRCC Reyna 0566. 0566 is the mother of Rudow's Deplorable 60, who was the sire of the 923 cow whose daughters are cataloged as Lot 5 and 5A. Needless to say, there is power in the blood with this heifer's genetics backing her up.

COW POWER! I am so excited to be bringing the first daughter of Rudow's Felon 339 to public auction. Felon was retained to be a herd bull for us at Rudow Family Cattle, and boy we are as excited about his offspring as we were when we developed this young stud. Lot 8 is so massive in her rib and body and maintains that bulky look clear back into her wide rear 1/3. If you step around front, you still see a wide barrel and powerful rib cage, but it blends into a very smooth and elegant look up front. This heifer is moderate framed, easy fleshing, and has a very maternal look. Felon will play a major role in the Rudow Family Cattle program in years to come, and here is your chance to purchase one of his first daughters.

Investment Opportunity!!!! We stack predictable genetics that we know work. Before selling our 710 donor as Lot 1 a few years ago, we flushed her one last time to OCC You Bet 800Y. Lot 9 is the resulting ET heifer, and she's one we should be keeping, but we're selling all of our bred heifers and holding nothing back. Her pedigree is the Rudow Family Cattle program through and through. Juanada, Dixie Erica, E&B Empress Pride 142, and Rudow's 410 are all major factors that built our cow herd. Lot 9 is a herd building female who will be influential for years to come.

Here is our only other OCC You Bet 800Y heifer selling in this year's sale. These daughters are mouth-watering when they get into production. Not only is the top side of Lot 10's pedigree strong but take a look; Saugahatchee, New Edition, and E&B Empress Pride 142 all stacked in one package. Wow!!! Her Argentine calf will be an added bonus next spring.

Time for the nuts and bolts of the sale!! In this section of the catalog are the 5 bred heifers sired by Juanada Style or "Otis" as we call him. For you pedigree followers out there, Otis's mother is a full sub to Total Recall. When you start designing the ideal female to add to your program, you design one like 422. You would never guess if you walked into this pen of bred heifers and didn't have pedigrees that you would think they would be purebred Angus.

But guess what? They are, and this one might very well be the most out there of any of them. With Angus, you get the maternal greatness, and fertility all in one package. Lot 11's dam is a tremendous Old Spice daughter back to OCC Homer backing up her maternal strength. This is one you need to go back and study on sale day. She is a special sale day feature.

I don't want to tell you which of these bred heifers to pick, but if it were up to me, I would say 436 might be the one. One of the most stylish good looking bred heifers in the offering. Nowhere can you find this kind of power and stoutness in a set of Angus bred heifers. When you identify these legendary cow families that never miss, you stack those pedigrees and keep making these genetics. These females will set you up for greatness.

GENERATIONS OF MATERNAL POWER! Lot 13 is a powerhouse bred heifer, and boy oh boy is she nice. This is what all of these Juanada Style (Otis) daughters look like. If you have seen one, you have seen them all. Consistently, they are females with all of the power, body, mass, and structure you could ask for, with that killer look. 439 is yet again another example of just how solid these females are.

Lot 14

If you've followed the Rudow program, you know the impact of its major cow families. Cows like 669 and 460, who come from 820, E&B Empress Pride 142, and Reyna 0566, are just a few. But one we won't leave off this list is Rudow 410 P, the maternal granddam of Lot 14. This cow family does it time and time again. Lot 14 has all of the power, body, and dimension you would ever want and what we demand our cattle to have. She might very well become a donor, but no matter what, you have a breed leader for pedigree. Oh…and she's going to have a calf by Duff Absolute to top it off.

WHAT A LOOKER!! Lot 16 headlines the next sire group in the catalog and our biggest sire group offering in the sale. JBob Jet Stream 126 has 15 bred heifers selling in our sale this year. They are so consistent. The sires and dams behind him are legendary, proven cow families that have stood the test of time! Efficient, maternal, easy fleshing, sound-footed, and the list goes on. Lot 16 absolutely blows you away with the presence, eye appeal, and overall pattern and design she throws at you. Put her in motion, and she is as fluid in her movement as any female in the sale. When you find the rare opportunity to add females of this quality with balance and power to your herd, you should take that chance and keep bidding. The calf she is carrying by Duff Absolute will pay for it all.

Not to sound like a broken record, but all of these females are bred to look alike. They have been mated for generations to maintain the overall fleshing ability, structure, dimension, and power but still give you the killer look and eye appeal. These females, specifically out of JBob Jet Stream, all look alike, so when you breed them to a variety of bulls or even in a crossbreeding program, the results will still remain consistent and uniform. 483 has been one we have really loved from the moment she was born. She combines a very predictable maternal backing with OCC You Bet, Dixie Erica, and Gunsmoke on the bottom side of her family tree. You have seen three JBob daughters to this point in the catalog. They just keep coming. Don't overlook this powerhouse female.

Welcome to the BIG TIME!!! This is the start of the spring-born JBob Jet Stream registered Angus division, and Lot 24 leads the way. 508 comes at you with a desirable phenotype that all great cattlemen are looking for in females. Starting at the ground with a great base width, sound running gear, and all the right angles, but when you combine that power with a soft look and true dimension, then you have a total package. This 126 daughter comes out of a New Edition x Missing Link cow that is mouth-watering. This pedigree adds look and predictability. You can't go wrong here.

Lot 25

Moderate, square-built, good-looking female that is so good in the way she ties from her neck into her shoulder with a striking silhouette. A little different pedigree on the bottom side of this female with Draft Day, but when you look further, consistent breed leaders like New Look and Duff Turning Point back her up.

Lot 28

The final registered daughter of JBob Jet Stream 126 in the sale catalog. She is another spring-born heifer, and we are so excited to get these GCC Heritage calves hitting the ground this spring. Heritage is double-bred Coleman Donna 714, and we feel that is one of the most maternal cow families in the Angus breed. Combine that with the bottom side of Lot 28's pedigree being Empress Pride 414, one of the most powerful cows ever to walk the pastures at Rudow Family Cattle.

Maternal Granddam of Lot 29

GCC Heritage 4543
Service Sire of Lot 29

As Bill and Nancy Rudow said while we pictured this set of cattle, "Tag 57 should not be leaving the farm." Lot 29 is one of the phenotypic standouts of the offering. Her dam is backed by breed leader Basin Payweight 1682. EZAR Safe Deposit is out of one of the most influential cows in the Angus database PAF Rita 7096, who has produced over 3 million dollars in progeny. 57 is super complete, nice-made, ultra-sound and functional, with an extra shot of look and eye appeal. This one is built to be a front-pasture kind.

JET STREAM NON-REGISTERED DAUGHTERS

Lot 30

Lot 30 is the lead off of the non-registered females selling in the offering. Don't discount these because they are non-registered cows. In fact, 509 is a standout. Deep-bodied, stout, powerful female that offers a brood cow look. AI'd safe to Lover Boy gets us pretty excited for February.

Lot 31

Baldy Baldy Baldy! This Jet Stream Black Baldy heifer has all the look, profile, and presence you'd ever want. You can't help but be drawn to this female, as we absolutely love her overall muscle and soft design. These baldy females work!

MF Triumph 4408
Service Sire of Lot 31

Lot 32

WHO DOESN'T LIKE A LITTLE CHROME? Here is the first of the consignments brought to us by our friends and partners Classic Genetics from Oklahoma. This Black baldy is a daughter of Classic Doc and is not just your run of the mill baldy. She is a darn good one. These cattle are as maternally sound as they come, with look and presence to burn. She is stout boned with all the extras. She is safe to Rock Double Take.

RED BALDY FEMALES

Lot 34

Lot 34 starts a run of the Red Baldies from Classic Genetics. Boy is Lot 34 stout, powerful, and good!!! These Red Baldies are very unique in their look and build. They are good-looking, square-built, and sound as they come. Deep, soft, and sound are exactly what they are bred to produce. I am expecting the winning bidder to calve these out and be calling for more because they are so excited with the results.
